Itinerary (attach additional documents as necessary)

Detailed trip itinerary is attached.

Describe the educational purpose and value of the trip?

Students participating in this trip will be primarily students who are currently studying Latin. These students will be learning about Rome, the ancient capital city of the Roman Empire. They will be able to see where and how the Romans lived. They will physically be able to walk where Cicero, Augustus, Marcus Aurelius and other amazing men and women have walked. They will be able use their Latin abilities to decipher the many Latin inscriptions which still remain in and around the city.

If the trip involves missing school, what are the reasons and what steps will be taken to minimize the impact?

Students will miss 1-2 days of school. All students will be required to notify teachers in advance and will be responsible for making up any missed assignments and assessments.

Who may go on the trip? (requirements to participate - grade levels, attendance, behavior, academics - consult the sample Trip Policy Form)

Priority will go to students currently enrolled in a Latin language course. Students not enrolled in a Latin language class may also attend after consulting with the trip organizer (Ms. Mea) and providing their rationale for participation. Many students have an interest in ancient history and while priority will be given to students of Latin, all students in good standing are welcome to attend this trip. All students must meet all academic and behavioral guidelines as laid out by Arlington High School and the district.

Cost of trip per student?

\$3000-\$3300, depending on how many students register and when they register.

Your tour fee:

The **Tour Fee*** displayed to your travelers will be based on 20 total travelers at \$2,980 per paying participant. Should your expected amount of total travelers change, the tour fee will be adjusted accordingly. Listed below are some approximate examples of how your Tour Fee* might change based on the number of total travelers:

For this many TOTAL TRAVELERS,	the individual TOUR FEE would be:	Additional fees
40 +	\$ 2,948	<i>Adult fees: \$340</i>
35 - 39	\$ 2,974	
30 - 34	\$ 3,017	<i>On Tour Tipping - \$60</i>
25 - 29	\$ 3,076	<i>- \$250 Scholarship</i>
20 - 24	\$ 3,161	
15 - 19	\$ 3,295	TOTAL STUDENT FEE: \$2,971

More detailed information on attached Price Quote

What is included in the trip?

Round-trip airfare, On-Tour Tipping, all transportation, sightseeing tours and site visits, all hotels with private bathroom, breakfast and dinner daily, full-time multi-lingual tour director.

What is not included in the trip? What expenses will students incur during the trip?

Lunch each day & personal spending money for souvenirs

Other Chaperones

To be determined. 6:1 ratio, can go to 8:1, is necessary (lessen cost by minimal amount)

How do students register for the trip? Is there a payment plan? Describe.

Students will register online directly with the travel company, Explorica. Payment may be made in full or in increments. From attached School Board Packet:

"Payment Options

Explorica

Chelsea Kelley, ckelley@explorica.com

Are they insured? Describe the trip insurance plan. (Trip insurance includes coverage for emergency travel home, trip cancellations, etc. This is not just liability.)

A standard Travel Protection Plan is included for all students, which covers the following events: A traveler's injury, sickness, or death of a family member; Theft of passport or visas; Flight cancellations due to strike or bad weather; Loss of luggage and personal effects; Trip cancellation or trip interruption due to covered reasons such as a covered sickness, illness, injury or death; Trip cancellation or trip interruption due to terrorist acts, as defined.

More details of this plan and their Plus Plan (at extra cost) is attached in the School Board Packet

Describe the refund policy and dates. (Include this information in the Trip Policy Contract that is signed by students and parents/guardians)

Cancellation Deadlines –

What is the cancellation policy?

Long before your tour begins, Explorica makes reservations for each enrolled participant, incurring many non-refundable costs. For this reason, we must charge cancellation fees.

In order to protect your travel investment in the event you need to cancel your tour, we recommend purchasing a travel protection plan.

If you withdraw this many days prior to departure	You will receive a full refund minus the following amounts
More than 140 Days	\$300 + the \$99 Non-Refundable Deposit
140-106 Days	\$500 + the \$99 Non-Refundable Deposit
105-66 Days	50% of all fees + the \$99 Non-Refundable Deposit
65-31 Days	75% of all fees + the \$99 Non-Refundable Deposit
30 Days or Less	No refund*
* If you notify us of your cancellation in writing at least 24 hours prior to your departure you will receive a \$100 refund.	
All cancellation requests must be submitted in writing by email to tocancellations@explorica.com . If you cancel and name a replacement participant in writing at least 106 days prior to departure, we will refund \$200 of your cancellation fees. Regretfully, we cannot refund late fees, bank fees, transfer fees, Travel Protection plan costs, or visa fees and we cannot transfer any payments between participants. You will receive your refund within six weeks.	

Information available on the Explorica website and emailed from my agent Chelsea Kelley

Describe how you will factor emergency cash into the trip budget?

All students will give the lead teacher (Ms. Mea) \$20 prior to departure for emergency funds. This money will be returned to the students if it is not needed/used.

Describe how you will communicate with parents before and during the trip.

A minimum of two parent meetings will be held prior to the trip. One at the end of this school year in June to layout the trip's itinerary and cost. This meeting will be for parents and students to ask any basic questions they may have. The second meeting will be held in January to prepare parents and students for departure.

During the trip, Explorica provides an online "Tour Diary" that is updated with pictures and journal entries by the Tour Director throughout the trip.

Describe how you will communicate with administration during the trip.

Administration will be given our detailed itinerary, as well as any hotel contact information available.

PERMISSION TO PARTICIPATE AND RELEASE FROM LIABILITY

Your child's teacher has volunteered to attend a school-sponsored trip requiring travel to another state or out of the country. Participation in this trip is voluntary, but you must give permission before your child can go. If you do not give permission, your child will not be allowed to participate.

Your child will be under supervision by teachers and/or chaperones. It is possible that your child may face more risks by participating in this trip than if your child did not. We cannot enumerate every risk, but we believe that you are generally familiar with this activity and your child, and you are in the best position to decide whether your child should participate. The School Department and Principal have approved this trip, but we cannot and do not guarantee that there will be no injuries or damages as a result of this trip.

This is a legal document and you are free to obtain a lawyer's advice before signing it. You may not, however, change the language of this form, and any additions or deletions you make to this permission and release have no effect.

By signing this form, you agree that your child may participate in the trip. By signing this form, you also agree to release the Town of Arlington, Town officials, Town employees/teachers and all parental program and activity volunteers or chaperones from any and all damages, death and/or injuries of any kind you and your child might suffer as a result of participating in this trip, except for those that result from gross negligence or wanton and willful misconduct. This agreement to release does not apply to any independent contractor.

Out of State and Travel Abroad Trip Contract

During school trips, students are "in school" for the entire trip. This means that all trip participants must comply with all school rules and policies and meet all other behavioral expectations for the trip for the duration of the trip, even in the evenings during usually private times. Violation of these expectations may lead a student to be sent home from the trip at their parents expense and may lead to school consequences when they return from the trip.

Participation in out-of-school trips is a privilege. The school must be conscious of the safety of all students as well as the way in which the trip represents the school in our community. It is the policy of the Arlington Public Schools that all students who attend school trips out of state or abroad, must be in good standing academically, behaviorally, and in terms of attendance. Specifically the following standards apply:

A student, within a month of the trip, must not:

- have been suspended from school.
- be under suspension from extracurricular activities
- be carrying a D or lower in any class
- be in danger of receiving an FA due to attendance
- be experiencing changes in medical conditions which may affect the safety of the student or trip.

Exclusion from a trip for the reasons above will result in the following consequences:

- Class grades will not be affected by exclusion from a trip.
- In trips related to courses, students will be provided with alternative assignments to make up for any trip work.
- Funds or deposits may not be returned, as deposits and shared costs may not be recouped by the trip group.

Because the trip is a school- sponsored activity, all school rules and policies apply (behavior, dress, use of alcohol/drugs, etc...). Students should take time to review the student handbook to be sure they have a complete understanding of the school rules. Any violations of these expectations may result in a student being sent home at the parent's expense. School consequences may also be given when they return.

In signing this form, students and parents acknowledge their understanding of Explorica's refund and cancellation policy. Details of this policy are contained within your informational packet, can also be accessed on Explorica's website and are available upon request from you lead teacher.

Students and their parents must read and sign this agreement in order to participate in the trip. Please return this form to the trip leader.

I have read and understand all school rules included in the Student Handbook. I am aware that any violation of rules will result in school consequences once I have returned to school. I may also be asked to return home from the trip early at my parent's expense and no refunds will be given for the cost of the trip.

"The hotel was nice and had great common spaces for hanging out. Excellent breakfast and nice rooms."

Meal Information

Explorica provides breakfast and dinner daily on all tours (unless otherwise indicated on your itinerary). Explorica makes sure all travelers get a unique experience through their meals, such as a tapas dinner in Spain, crepes in France or wiener schnitzel in Germany.

Tour Director

Your Tour Director is responsible for organizing the overall logistics of the trip. He or she will be with you from the beginning of the tour until the end to oversee the arrangements for all transportation, meals, accommodations, and sightseeing. The Tour Director can also provide very general information and suggestions for your free time. Local guides are your resource for detailed destination information.

Communication on Tour

Explorica provides a Tour Diary for each group that travels. We were the first company to develop the diary and have been providing this service for 10 successful years. Our online Tour Diary lets parents and friends see pictures of the group as they travel, so they know their children are safe, happy, learning and having fun. Here is an example of a posting for a group that traveled on our England and Scotland tour April, 2013:

“Day 3 - We left our hotel near Glasgow and headed up north into the Trossachs National Park to make our first stop in the village of Luss on the banks of Loch Lomond. We walked down to the beach and up through the village. Next we followed the sides of the loch all the way up, making some photo stops along the way until we came to a rest-stop called 'The Green Welly' where we made a lunch break. This afternoon we arrived in the very heart of the highlands, driving across the barren landscape and making a photo stop in the Glencoe valley, scene of the Glencoe Massacre back in 1692. We learnt about the clan difficulties at the time and the Jacobite movement. Next we got great views of the UK's highest mountain, Ben Nevis, as we headed around the western coast and across the Grampian mountains. We stopped in some cute highland villages and saw a game of Shinty (like a kind of highland hockey). We've arrived at the hotel now, our base for exploring more of the Highlands tomorrow!”

Liability Policy

To Whom It May Concern,

We understand that many school officials have expressed concern about allowing their students to travel. We want to assure you that the safety of the tour participants is Explorica's number-one priority and that we have policies and procedures in place to protect the school, school district, teachers, and participants involved with this tour.

Explorica has a \$50 million liability policy with Zurich Insurance Group that protects 3rd parties and tour participants (students, teachers, chaperones) for injuries and damages resulting from Explorica's negligence. We know that school officials should not have to assume responsibility for the safety of their students while on tour, and with Explorica, they don't. Explorica has taken all precautions to best protect the students and other tour participants..

We of course share your concern for the students' safety and peace of mind. Our optional Cancel for Any Reason travel protection plan provides medical, baggage, and cancellation insurance coverage for our travelers. We also have a network of support staff in the United States as well as a 24-hour emergency service for groups and their families. We offer additional peace of mind for parents and friends of our travelers by providing an online "Tour Diary" that is updated with pictures and journal entries by the Tour Director throughout the trip. If you would like to discuss this matter further, we would be happy to speak with you at any time. Please call us at 1.888.310.7120.

Sincerely,
Dan Kellerd

Positive Feedback

After every tour Explorica asks our Group Leaders to create an evaluation to judge our overall pre tour, during tour, and post tour performance as a company. Everything is judged and it is a great way to provide feedback for us to improve as a company. Often times we are given such positive feedback that we want to share it with potential Explorica group leaders.

Linda L., English & German Teacher, Bowdoin, ME

My students had the time of their lives on this trip. Our Tour Director was so knowledgeable and incredible that Berlin, Prague and Munich just came alive during these ten days. What an experience!!!

Michelle D., Coburg, ON

Well-organized, educational and safe travel—I couldn't ask for more! I have students knocking on my door the first day back asking "where is the trip next year?"

Joe H., Spanish Teacher, Chandler, AZ

I LOVE teaching, but I LOVE traveling more! What better experience can we bring to the lives of our students than actually living in the countries we study about?!

Kathleen W., French Teacher, Higganum, CT

A wonderful experience for the students, especially hitting Carnevale in Venice. Our Tour Director enlivened the whole trip with his wit, charm and depth of knowledge.

Explorica's code of conduct

To make sure everyone has a fun, mishap-free adventure, it's important that you follow a few basic behavioral guidelines on your tour.

E

Educate yourself about the culture you're visiting. Before you jet off across the world, do a little research. How do they dress? What do they eat? How do they say "hello"? This will help you adjust to the new environment and keep you from looking like a tourist.

X

X marks the spot. Be where you need to be when you need to be there. Always come prepared with local maps, essential phone numbers, and a watch, so it's easy for you to get to designated meeting spots on time. Scheduled activities are mandatory. If you need to be excused from an activity for any reason, please ask your group leader for permission in advance.

P

Pay attention to your surroundings. In a new environment, there's a lot to take in, but you need to stay alert. Be mindful of your safety and belongings at all times, so that you can avoid any mishaps while traveling.

L

Listen to your group leader and tour director. Your group leader is responsible for your safety, and your Explorica tour director is an expert in every aspect of your destination. It is important that you listen to them and do what they say at all times. This means getting places on time, respecting curfew, and following all rules in place, so everyone can have a fun and safe experience.

O

Organize your free time responsibly. Throughout your trip you'll have periods of free time. During this time, you should always be with a small group, and never stray too far from your meeting place. Be sure to wear a watch, carry a map, and allot plenty of time to get to your meeting place early, so the rest of your group doesn't have to wait.

R

Respect the people and the culture. When you travel, think of yourself as a guest in someone else's home. Even if foods, clothes, or behaviors seem strange to you, be understanding and accepting of the culture.

I

Illegal activities will not be tolerated. The laws abroad may be very different from the laws back home, but no matter how strange they may seem to you, follow them! If not, you are subject to the legal consequences and immediate dismissal from the tour.

C

Consumption of hard alcohol will not be tolerated. We do not permit excessive drinking on our tours. The allowance of a glass of wine or beer at meals is up to the discretion of your group leader if you are over 18 and of legal drinking age in the country you are visiting.

O

Offer help and support to your peers, group leader and tour director. You're all in this together! Whether a friend needs a hand lifting a suitcase, your group leader needs to get everyone quiet to call roll, or your tour director needs help learning someone's name, lend a helping hand to whoever needs it.

D

Damages are your own personal responsibility. If you break it, you buy it. If you damage anything in your hotel or bus or incur any additional fees (e.g. phone calls, room service, etc.), you will be held responsible and required to pay for it. If you notice any damage upon arrival, notify your tour director immediately.

E

Experience the world and have fun! These rules are in place to keep your entire group safe, healthy, and happy on tour. Now it's your job to get out there and enjoy the experience of a lifetime. *Bon voyage!*

Online, phone, and fax enrollments require a valid credit or debit card (MasterCard or Visa), or a valid checking account for electronic payment.

Explorica strongly recommends you enroll online. It is the most immediate and seamless enrollment method, and it allows us to keep our prices low. To enroll online, go to Explorica.com and click on "Sign up."

To enroll by phone:

Call toll-free 1.888.310.7121 to speak to a Customer Care Representative.

To enroll by fax:

Complete the enrollment form in the Participant Registration Booklet and fax toll-free to 1.888.375-6177. Faxes received after 5 PM EST will be entered the following business day.

To enroll by mail:

Explorica Inc.
Attn: Admissions
145 Tremont Street, 6th Floor
Boston, MA 02111

All mailed enrollments may be paid by check, money order, credit or debit card (MasterCard or Visa), or electronic payment from checking account.

Note: Registration date considered date received, not date marked by mail.

Enrollment deadlines

Our tours fill up fast; enroll as early as possible. All enrollments, including chaperones, received less than 105 days prior to departure will be subject to a \$135 late enrollment service fee and must immediately be paid in full, including the service fee, by debit or credit card, certified check, money order, or electronic payment from checking account. After late enrollment applications have been received, additional charges (for last-minute flight reservations, increased Tour Fees, etc.) may apply. Late applicants will be placed on a waiting list; if no space becomes available we'll refund the full payment, minus any reinstatement or previous cancellation fees that may apply. Please be aware we cannot guarantee that participants whose enrollments are accepted less than 105 days prior to departure will share any of the same flight itineraries as the rest of their group.

For the complete terms governing late enrollments, please contact Explorica or visit explorica.com/faq.

What is the payment schedule and process?

Monthly automated plan

Pay your \$50 deposit and optional travel protection plan costs with credit/debit card or checking account upon enrollment, and the balance of your Tour Fee will be automatically charged to your card or debited from your account in equal monthly installments until 35

days prior to your departure date (checking account) or 65 days prior to your departure date (credit/debit card). Please note that you must make all payments by credit card, debit card, or checking account. If two consecutive payments are returned NSF or declined by your bank or credit card company, we will change your account to the designated Manual Plan.

Full payment

Pay in full at time of enrollment.

4-step manual plan

Pay your \$99 deposit and travel protection plan costs upon enrollment, \$500 toward your Tour Fee 30 days later, and 75% of your remaining balance at 105 days prior to departure. The final remaining balance is due 65 days prior to departure and can be paid by check, credit or debit card, or checking account. If you enroll 150 days prior to departure or later, you will make only three payments - \$99 deposit and travel protection plan costs at enrollment, 75% of your remaining balance at 105 days prior to departure, and the final balance at 65 days prior to departure. Please note that we do not automatically deduct payments on this plan; you must make each payment manually. All full-paying participants, including participants who have previously traveled with Explorica, are required to pay the \$99 deposit upon enrollment. Any participant who has already paid the deposit for a previous tour will receive a \$100 credit on his or her Explorica account.

General payment information

We accept electronic checking account payments, MasterCard, Visa, American Express (and require a credit card or checking account payment for our monthly payment plan), money orders, online banking, and personal checks. Please note personal checks are only accepted until 105 days prior to departure, and checking account payments until 65 days prior to departure. Any payments made past the final payment deadline must be paid by certified check, money order, or credit card.

Each month we will automatically charge the credit cards or debit the checking accounts of participants who choose our monthly payment plan; we will send email reminder of payments due to all other participants approximately two weeks in advance of the payment due date. You will receive payment reminders only through email and not through the mail. Payments that are late are subject to a \$50 late fee. The date of payments is determined by the date of receipt at Explorica. If you do not meet the conditions of your payment plan, your tour reservation will be cancelled (subject to standard cancellation policy).

Payments rejected due to insufficient funds, disputed by your credit company, returned to us by the drawer's bank, or returned due to a stop-payment order are subject to a \$30 non-refundable fee. We reserve the right to cancel reservations for any participant who does not meet his or her contractually obligated payment schedule.

Mail checks or money orders to:

Explorica Inc.
Attn: Admissions
145 Tremont Street, 6th Floor
Boston, MA 02111

What is the cancellation policy?

Before the tour begins, Explorica reserves space for each enrolled traveler and thus incurs costs. For this reason, we must charge cancellation fees. In order to protect your travel investment in the event you need to cancel your tour, Explorica strongly recommends purchasing a travel protection plan. The following cancellation policies apply:

If you withdraw this many days prior to departure	The following cancellation fees apply
More than 140 days	\$300 + \$99 non-refundable fee
140–106 days	\$500 + \$99 non-refundable fee
105–66 days	50% of all fees + \$99 non-refundable fee
65–31 days	75% of all fees + \$99 non-refundable fee
30 days or less	No refund*

*If you notify us of your cancellation in writing at least 24 hours prior to your departure, you will receive a \$100 refund.

All cancellation requests must be submitted in writing by mail, fax, or email to cancellations@explorica.com. If you cancel and name a replacement participant in writing at least 106 days prior to departure, we will refund \$200 of your cancellation fees. Regrettably, we cannot refund late fees, bank fees, transfer fees, travel protection plan costs, or visa fees and we cannot transfer any payments between participants. Most participants will receive their refund within six weeks.

Reinstating enrollment

Participants who have cancelled and then want to rejoin the tour must pay a \$50 reinstatement fee, plus any difference between the old and new Tour Fees and any applicable late fees, and their enrollment is subject to availability and to all conditions governing late enrollments (if applicable). Travelers must also re-purchase insurance (if applicable).

Day 1 Start tour – Fly to Rome

Day 2 Ciao Rome

Meet your tour director and check into hotel

Rome city walk - Baroque-en hearted? Revive your spirits with a walk past Rome's most beautiful and unusual Baroque fountains. At the foot of the Spanish Steps, elegant cafes once favored by visiting Brits and Americans surround the central fountain. The water pressure here was so low that the artist had to sink the fountain into the ground to get any water going through it, so he went ahead and designed the fountain to look like a sinking ship. There's no shortage of water pressure at the nearby Trevi Fountain, a Baroque extravagance designed by master sculptor Bernini. At the Pantheon, you'll see the largest concrete dome ever constructed. An oculus, or hole, in the dome lets sunlight into the beautiful temple, dedicated to all the gods. Finish your stroll with the Campo De Fiori

Day 3 Ancient Rome

Ancient Rome guided walking sightseeing tour with Whisper headsets

Colosseum visit, Forum Romanum visit, Piazza Venezia

The ultimate symbol of Ancient Rome, the Colosseum still dominates the modern city. Tour the amphitheater with your local licensed guide. Built by the emperor Vespasian in A.D. 72, the structure held almost 50,000 spectators but was so well organized that the entire place could be emptied within 15 minutes. Inside, the spectacles varied from gladiator battles to immense naval contests to wild beast shows, in which thousands of exotic animals like giraffes and ostriches were popped into the stadium through trap doors and left to fight Roman hunters. See the system beneath the floor that operated the trap doors and housed the animals, then continue on to the relative calm of the Forum. Ancient Rome's commercial, religious and political center, the Forum held markets, temples and the Senate House. Near the Rostra, or speaker's platform, you can still see game boards scratched into the marble by bored politicians--anyone up for a game of tic tac toe?

Overnight in Rome

Day 4 Sorrento

Travel to Sorrento

Pompeii guided excursion

Stop to see the city where time stood still, literally. Once an important Roman city with 20,000 residents, Pompeii was frozen in time nearly 2000 years ago, when Mount Vesuvius erupted and buried the city under 30 feet of mud and volcanic ash. Forgotten for centuries after the eruption, Pompeii was discovered in the 1600's and is now completely excavated. On your tour you will learn how Romans of all classes lived their lives--not only from large public structures, but from details like political graffiti, bars, and street signs.

Herculaneum Visit

Sitting in the shadow of Mt. Vesuvius, the ancient town of Herculaneum was destroyed when the deadly volcano erupted in 79AD. Hidden under an airtight crust for over 1,700 years, buildings and skeletons were kept intact and have now been discovered and excavated. Explore the ruins and learn about that dreadful day in 79 AD when the fates of the town and its people were sealed.

Stay overnight in Sorrento

Day 5 Ostia Antica

Ostia Antica Guided Excursion

Explore the main seaport of ancient Rome to see examples of amazingly preserve buildings and impressive Roman frescoes.

Catacombs Guided Excursion

Visit the enormous church of St. Paul. Outside the Walls, built over the original tomb of the saint, and then descend into the early Christian catacombs, dating from the first to fourth centuries. Thousands of Christian, including Saints Peter and Paul and several popes, were entombed here at one time. There are still signs of early Christianity, including frescoes of fish and doves and inscriptions on the tombs themselves. Overheard runs the Appain Way, the world's first real highway, which stretched southeast over 350 miles from Rome.

Overnight in Rome

Day 6 Vatican City

Vatican City guided walking sightseeing tour with Whisper headsets

Vatican Museums & Sistine Chapel visit, St. Peter's Basilica visit

Don a state-of-the-art headset for a space-age tour of St. Peter's Basilica with a licensed local guide. Outside the church, four rows of columns radiate out like welcoming arms; inside, the church seems enormous enough to embrace the entire world. The dome, partially designed by Michelangelo, rises 452 feet above the ground. Michelangelo's mark is everywhere here, from the costumes worn by the Swiss Guards to his exquisite "Pietà" sculpture (the only sculpture he ever signed) to the amazing frescoes of the Sistine Chapel. Because he considered himself a sculptor and not a painter, Michelangelo hated working on these paintings, now considered masterpieces.

Enjoy a traditional Italian pizza dinner

Overnight in Rome

Day 7 Tivoli

Tivoli guided excursion

You may think Rome has a lot of fountains, but you really haven't seen anything until you've been to Tivoli. See the Villa d'Este, the 16th-century home of Emperor Alexander IV's nephew, the Cardinal Ippolito d'Este. In the magnificent gardens, five hundred fountains gurggle, burble and cascade over statues, canals, grottoes, staircases and reflecting pools.

Visit Hadrian's Villa

For further details, please consult an Explorica Customer Care Representative at 1.888.310.7121.

Alternate departure airport. Depart from an airport different from your fellow group members. You pay the Tour Fee from the alternate airport, plus a service fee of \$145 if requested up to 130 days before departure. If requested between 129-90 days before departure, the fee is \$195. This option is not available less than 90 days before departure. Additional fees may apply, and your alternate airport must be one of Explorica's gateways.

Special conditions may apply for travelers who are minors. Please keep in mind that you should not make any flight arrangements until you receive your final tour itinerary and departure date from your Group Leader. For more details, go to explorica.com/faq.aspx.

Stay-ahead and stay-behind options. You may wish to spend time at your destinations before or after the scheduled tour. The fee for this service is \$145 if requested upon enrollment. If requested after enrollment and up to 130 days before departure, the fee is \$195. Additional fees may apply if requested or changed between 129-90 days before departure. This option is not available less than 90 days before departure. Hotel rooms are furnished with either single or double beds; single beds sleep just one person and double beds may be shared. Participants aged 22 and younger may choose to upgrade to stay in a double/twin room for an additional \$35 per night (\$70 per night on cruises and ferries). The deadline for requests for double/twin or single room upgrades is 60 days before departure. For more information on accommodations, visit explorica.com/get-ready.aspx.

Optional excursions. On each program we offer a number of optional activities pre-negotiated with our overseas suppliers. Enrolling prior to departure helps us plan; we offer you a discount on each of these activities if you enroll 45 days or more before departure. For most optional activities you can enroll online up to 105 days prior to your departure date, and you can enroll over the phone for most excursions up to 45 days prior to departure. After that date, you can register on a space-available basis only during the tour itself. Some activities require pre-booking; please refer to the individual tour itineraries for booking specifics. All optional excursions are based on 20 paying participants. If there are fewer than 20 paying participants enrolled on an optional excursion, Explorica reserves the right to add a surcharge or cancel the optional excursion at its discretion.

Are there optional tour enhancements for the group?

The following additions and alternatives must be reserved for the entire group when the Group Leader creates a Tour Center:

Stay-ahead and stay-behind. If the entire group would like to arrive at the first destination a few days earlier or stay at the final destination a few days later than the scheduled tour, Explorica can change your airline tickets. The service fee is \$50 per participant, plus additional costs for land arrangements, which will be passed along to the participants. This optional tour enhancement requires a minimum of 10 paying participants.

Tour extensions. Many of our programs offer extensions to the normal tour. These extensions must be booked at the time of enrollment, must apply to the entire group, and any changes will incur additional charges. All tour extensions are based on 25 paying participants. If there are fewer than 25 paying participants enrolled on a tour extension, Explorica reserves the right to add a surcharge or cancel the tour extension at its discretion.

Accommodations. All participants aged 22 and younger room in same-gender rooms with travelers from the entire bus group. Alternatively, your Group Leader may choose to include our "Exclusive Rooming" option, which ensures that students from your group will not be mixed with students from other groups.

Adults and children under 6

Our programs are primarily developed for youths, but adults are welcome to participate. As our prices are based on youth rates, we charge a flat rate adult supplement of \$130 per adult (23 years of age or older). Adults are automatically placed in twin rooms unless a single room is requested. The double/twin or single room supplement will apply in addition to the adult supplement, and will be charged even if the adult requests a triple room. We do not accept applications for travelers under the age of 6 at time of departure.

Adult tours. Our programs are primarily developed for youths, however, some groups are predominantly college-age students or adults. We offer the option of designating the group as an Adult group. For this type of group, all participants will pay a reduced adult fee and all participants will room in double or single occupancy rooms. Depending on the selected tour type, adult groups may be combined with student groups.

General information

Any requested changes to itinerary, travel date, package type, group size, or other aspects of your tour made after your tour has been chosen may be subject to additional fees.

Please note that once a Group Leader chooses a new itinerary, new departure date, or small group supplement, that decision is binding for the group. Participants wishing to cancel their enrollments at that point must pay any applicable cancellation fees. Additionally, once a Group Leader or school board cancels a tour on behalf of the group, standard cancellation fees apply.

Guaranteed travel date tours. If your group enrolls on a Guaranteed Travel Date tour, your itinerary and departure date is guaranteed not to change. Please note that tour extensions and stay-ahead/stay-behinds are not guaranteed on Guaranteed Travel Date tours, and require a minimum number of travelers in order to run.

Private & Custom tours. Your group may elect to have its own bus and Tour Director rather than traveling with one or more other groups. A minimum group size is required for this option, and the group leader is responsible for ensuring that the minimum is met. A private tour will follow the published itinerary (including any tour upgrades or options your group has selected). Your initial price quote includes a private group fee based on your estimated group size, and that fee is variable based on the final group size and tour length. If your final group size is less than the initial quoted group size at 105-30 days prior to departure, participants will be required to pay an increased private group fee. If individuals or the group chooses to cancel, or the minimum group size is not met, all applicable cancellation fees would apply.

Consolidated tours. In order for us to offer the lowest possible Tour Fees, tour prices are based on a minimum of 35 paying participants. We therefore sometimes combine smaller groups into one larger group of approximately 50 participants, giving you the benefit of meeting students and teachers from other schools. If an insufficient number of participants sign up for a tour, Explorica will collaborate with the Group Leader to find a similar or comparable tour, and participants will then pay the fees for the new tour. If no similar tour is available, the group may pay a small group supplement to run the original tour.

Changes in travel dates. For Private, Custom, and Consolidated Tours, Explorica reserves the right to change the date of departure due to heavy demand on certain peak travel dates. From October 1 to April 30, the change of date will be no more than one day in either direction. From May 1 to September 30, the change of date may be up to three days in either direction. If we suggest a change of departure from a weekday to a weekend, Explorica will waive the weekend supplement.

Changes in itineraries. Explorica reserves the right to make changes in the itinerary when deemed necessary. These changes might include shifting the order of cities visited, reversal of the tour, separate flight itineraries, or changes in airlines, cruise ships, or modes of transportation. On certain days some attractions might be closed, so we will offer a similar activity or refund the cost of the cancelled event. If your group's flight arrives late on the scheduled arrival day, we will attempt to reschedule any activities you miss on that day or provide an adequate substitute activity on another day of your tour. We cannot offer refunds for missed activities.

Airlines and airports. For departures from New York, Explorica uses JFK, Newark, and La Guardia airports interchangeably. For departures from the Washington, D.C. area, Explorica uses Baltimore, Ronald Reagan, and Dulles airports interchangeably. For departures from Florida, Explorica uses Miami and Fort Lauderdale interchangeably. For departures from Houston, we use Hobby and George Bush. For international flights to and from Scotland, Explorica uses Glasgow and Edinburgh airports interchangeably. For international flights to and from Ireland, Explorica uses Shannon, Dublin, and Cork interchangeably. For international flights to and from Italy, Explorica uses Venice and Milan interchangeably. For international flights to and from the UAE, we use Dubai and Abu Dhabi airports interchangeably. The passenger contract in use by the airline, when issued, shall constitute the sole contract between the airline and the passenger. The airlines mentioned above shall have no responsibility to any traveler aside from their liability as common carriers.

Some countries require insecticide spraying of aircraft prior to a flight or while passengers are on the aircraft. Federal law requires that we refer you to the DOT's disinsection website at <http://airconsumer.dot.gov/spray.htm> for more information.

Federal law forbids the carriage of hazardous materials aboard aircraft in your luggage or on your person. A violation can result in five years' imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives and radioactive materials. Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radio-pharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in your luggage and certain smoking materials carried on your person. For further information contact your airline representative or visit http://www.faa.gov/about/initiatives/hazmat_safety/

Airline tickets and final itinerary. We will post all travel details, including flight schedule, hotel names, and your Tour Director's name, on our website (at your personal Tour Center) prior to departure. Airline tickets or e-ticket confirmation numbers will be sent to your Group Leader before departure. Flight times, airlines, itineraries, Tour Directors, and hotel information are subject to change. Please note any request to correct a participant's first, middle, last name, or gender under 85 days prior to your departure will incur a fee. Participants are responsible for making sure that their travel documents match their airline ticket. Those who have not done so risk being unable to board their flights. All airline tickets are non-transferable.

Passports and visas. It is each traveler's responsibility to obtain a valid passport, visas, transit visas and any required travel insurance coverage (if applicable), and notarized parental consent form. We suggest that this process be completed well in advance of departure. Please note that customs officials may not allow you to enter a country unless your passport is valid for at least six months after your return date and/or have a full blank page. All travelers must contact the appropriate embassies and consulates to inquire about and obtain any necessary visas for all countries to be visited.

Passengers with Disabilities. Any disability or allergy requiring special attention should be reported to Explorica at the time you make your reservation. We will make reasonable attempts to accommodate special needs, but we are not responsible for any denial of services by carriers, hotels, restaurants, and other independent suppliers. Travelers requiring extraordinary assistance must be accompanied by a companion who is capable of and totally responsible for providing the necessary assistance. Please refer to the Special Needs and Disabilities section of our FAQ at www.explorica.com/faq for more information.

Additional information. Each Explorica tour begins when you leave from your departure airport and ends upon completion of the return flight to the United States.

Explorica reserves the right to cancel a tour at its discretion and in any such case all monies paid to Explorica for the trip will be refunded. Decisions to cancel a tour may be based on Travel Warnings issued by the U.S. State Department. No additional compensation, for example, pre-trip preparation expenses, will be made.

Providers of certain tour activities or inclusions may require that additional waivers or terms & conditions are signed by the Group Leader, chaperone, or traveler prior to participation in that activity or inclusion. Those documents are not governed by Explorica, and it is the Group Leader, chaperone, or participant's responsibility to read and understand them prior to signing. Failure to complete these documents may result in delays or modification/cancellation of the tour inclusion, and no refund from Explorica will be provided.

Without limitation, Explorica is not responsible for any injury, loss, or damage to person or property, death, delay, or inconvenience in connection with the provision of any goods or services whether occasioned by or resulting from, but not limited to, acts of force majeure, war, civil unrest, insurrection, strikes or other labor activities, criminal or terrorist activities of any kind, lost or stolen belongings, overbooking or downgrading of accommodations, mechanical or other failure of airplanes or other means of transportation or for any failure of any transportation mechanism to arrive or depart timely, dangers associated with animals, sanitation problems, food poisoning, lack of or quality of medical care, illness or disease, difficulty in evacuation in case of a medical or other emergency, actual, perceived or threatened epidemics, or for any other cause beyond the direct control of Explorica. For further information regarding travel to your specific destination(s), please visit the Centers for Disease Control and Prevention's Travelers' Health website (<http://wwwnc.cdc.gov/travel/>) as well as the State Department's International Travel website (<http://travel.state.gov/travel/>). I hereby acknowledge and understand the risks associated while traveling and voluntarily assume these risks in order to participate in the event sponsored by Explorica.

Please note that a participant will not be allowed to travel on an Explorica tour if his/her name does not appear on the travel roster on the day of departure or if he/she has not agreed to Explorica's terms and conditions.

I, the undersigned (or my parent or guardian if I am under 18 years old), an applicant for an educational tour provided by Explorica, Inc. (hereinafter referred to as "Explorica"), agree to the following:

- 1** Explorica, Inc., its owners, directors, officers, employees and affiliates, your sponsoring school, teachers, chaperones and group leaders, (collectively "Explorica") does not own or operate any entity which is to or does provide goods or services for your trip including, for example, ownership or control over hotels or other lodging facilities, airline, vessel, bus, van or other transportation companies, local ground operators, providers or organizers of optional excursions or equipment used thereon, food service or entertainment providers, etc. All such persons and entities are independent contractors. As a result, Explorica is not liable for any negligent or willful act or failure to act of any such person or entity, or of any other third party. Without limitation, Explorica is not responsible for any injury, loss, or damage to person or property, death, delay or inconvenience in connection with the provision of any goods or services occasioned by or resulting from, but not limited to, acts of God, acts of government, force majeure, acts of war or civil unrest, insurrection or revolt, strikes or other labor activities, criminal or terrorist activities of any kind, or the threat thereof, overbooking or downgrading of accommodations, structural or other defective conditions in hotels or other lodging facilities, mechanical or other failure of airplanes or other means of transportation or for any failure of any transportation mechanism to arrive or depart timely or safely, dangers associated with or bites from animals, pests or insects, marine life or vegetation of any sort, dangers incident to recreational activities such as scuba diving, zip lining, snorkeling, paddle boarding, surfing, swimming, kayaking, sailing, canoeing, rafting, hiking, bicycling, rock climbing, etc., sanitation problems, food poisoning, lack of access to or quality of medical care, difficulty in evacuation in case of a medical or other emergency, illness, epidemics or the threat thereof or for any other cause beyond the direct control of Explorica. In addition, I release Explorica from its own negligence and assume all risk thereof.
- 2** My Explorica tour begins with the departure of the Explorica bus or take-off of the flight from my departure city and ends upon completion of the return flight or Explorica bus trip to the United States.
- 3** Without diminishing Paragraph 1 of this Agreement, I understand that Explorica is not responsible for me when I am apart from Explorica-organized activities, such as visits to friends or relatives, or during stay-ahead/stay-behind optional periods if the optional period does not include the services of an Explorica Tour Director.
- 4** If I become ill or incapacitated, Explorica, or my Group Leader, may take any action they deem necessary for my safety and well-being, including attempting to secure medical treatment (at my own expense) and/or transporting me home at my own expense.
- 5** I agree to abide by Explorica's regulations and the directions of my Group Leader or Explorica's personnel during my tour. Failure to do so may result in Explorica terminating me from the tour immediately. I understand that disobeying such rules or directions is cause for me to be sent home, at my own expense, with no right of refund.
- 6** I agree to abide by all local laws including those concerning drugs and alcohol. I understand that to abuse or disobey such laws is cause for me to be sent home, at my own expense, with no right of refund. I understand that I will be subject to the laws of the country I am visiting.
- 7** I understand that I will be required to pay for any phone calls or incidental personal expenses that I incur at hotels, as well as for any damage I cause to hotel rooms or facilities, buses, ferries, trains, or cruise ships. I will indemnify Explorica and hold it harmless for any financial liability or obligation which I incur, or injury or damage to the person or property of others which I cause or contribute to, while participating on an Explorica tour.
- 8** I understand that both Explorica and my Group Leader reserve the right to refuse or cancel my enrollment for conduct which in either's sole discretion could impact the participant's ability to comply with trip regulations or which could impact the group's enjoyment of the trip and that in any such case standard cancellation fees will apply.
- 9** Explorica has the right to make changes in tour itineraries and departure dates and to modify transportation or lodging arrangements. In the event of changes being made, refunds will be given only in accordance with the provisions of the "Explorica Terms and Conditions" supplied herewith.
- 10** I understand that it is my responsibility to secure all necessary travel documents, including passport, visas, transit visa and any required travel insurance unless specifically arranged for the group by Explorica. Failure to do so does not constitute grounds for a refund except according to the normal cancellation guidelines as outlined in the "Explorica Terms and Conditions."
- 11** I acknowledge my choice to travel with the teacher or Group Leader organizing my group, and I understand that this choice is not the responsibility of Explorica. I understand that Explorica reserves the right to reassign my group to a replacement teacher or Group Leader should my original Group Leader be unable to, or determine not to, participate in the tour and that the standard cancellation policy will apply if I choose not to travel with the new Group Leader.
- 12** Any film or video likeness taken of me while participating in an Explorica program and any comments or statements made by me while participating in an Explorica program may be used in future promotional or other materials published by Explorica without payment of any consideration therefor.
- 13** I understand that as a participant or as a parent of a participant I authorize my first name and last initial to be included in an online roster.
- 14** This agreement, and the Terms & Conditions supplied herewith (collectively, "Agreement") constitute the entire agreement between Explorica and me. I understand that no warranty or representation not herein, including but not limited to any oral statements made to me by agents of Explorica or by my school or Group Leader, applies to any Explorica tour. This agreement may be amended or modified only in writing, signed by an Explorica officer at Explorica's main office in Boston, Massachusetts.
- 15** **BINDING ARBITRATION.** I agree that any dispute concerning, relating, or referring to this Agreement, the brochure, or any other literature concerning the tour, or the tour itself shall be resolved exclusively by binding arbitration in Boston, Massachusetts, according to the then existing commercial rules of the American Arbitration Association. Such proceedings will be governed by substantive (but not procedural) Massachusetts law. The arbitrator and not any federal, state, or local court or agency shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability, conscionability, or formation of this Agreement, including but not limited to any claim that all or any part of this Agreement is void or voidable.

Cancellation for country instability will be based on a "Travel Warning" issued by the US Department of State for the DESTINATION country(s) of your tour. TERMS AND CONDITIONS

RESPONSIBILITIES

Travel Interruption

After commencement of a tour, if you should withdraw or abandon the tour or if you should be prevented from traveling by any of Forum's vendors (e.g. insufficient identification), you relinquish all claims for funds and agree that Forum is entitled to retain the funds. In case of illness or physical limitations, you must obtain a medical certificate or declaration from a health care provider and file an insurance claim. Forum will not reimburse you for any payments but will provide you with the information to submit your claim to the insurer. Forum makes no representation or guarantees concerning reimbursements of funds paid under any insurance claim.

Health and Capabilities

The pace of tours varies, but in general they require participants to be in good physical and mental health. Please inform your Tour Consultant of any physical disabilities or limitations. We recommend that participants seek medical advice before departure.

Passengers requiring food complying with special diets should make a request at the time of registration. Forum will do its best to meet these requests, however some of Forum's vendors may not be able to accommodate all requests.

Passport, Visas & Administration

The participant is responsible for obtaining all visas, passports, entry documents, health requirements and any documents required by laws, regulations, orders and/or requirements of the countries to be visited. **We suggest that this process be completed well in advance of departure.** Non-US or non-Canadian citizens must consult appropriate consulates to determine if any visas are needed. Failure to do so may result in refusal of travel. All passengers traveling internationally are required to have a passport. Most countries require that the passport be valid for at least six (6) months beyond the conclusion of your trip. In addition to appropriate travel documents for your destinations, **minor children (age 18 or under) traveling to any foreign destination when not accompanied by both parents, must have an affidavit stating:**

The child is traveling to a foreign destination with the permission of the parents/legal guardian. The child is traveling in someone else's care.

The affidavit must be signed by both parents (or the sole, documented custodial parent) and must be notarized for some destinations (i.e.: Mexico & Costa Rica...). If a minor child is living with only one parent, the affidavit must be signed by that parent and be accompanied by a copy of their legal custody agreement.

It is the sole responsibility of the participant to provide proper documentation. Names on airline tickets must be identical to the passenger's passport. **No refunds will be made for improper documentation resulting in denied boarding or entry.**

Liability

Forum takes pride in selecting quality suppliers (i.e.: airlines, hotels, ground transport companies, etc.) Each Forum program begins when you leave from your departure as established in your program and ends upon completion of services established in your program. Forum acts only as an agent for these suppliers who are independent parties over which we exercise no direct control. Forum, its affiliates, directors, officers, employees, teacher/group leader and school cannot be held responsible for events beyond their control, including but not limited to: war, civil unrest, politically motivated acts of violence, acts of God, terrorist activities, strikes or government restrictions. Nor are they responsible for personal injury, death, property damage, baggage and personal effect loss or theft, and in the absence of its own gross negligence, arising from the use of any vehicle or from Forum's selection of, or from any act or omission by, any host family, school, airline, hotel, tour operator, transportation company, sightseeing contractor or other firm, company, agency or individual. Please note that Forum is not responsible for the behavior of participants on a tour - this is the sole responsibility of the tour leader, participants and chaperones.

Travel Insurance Coverage

All groups travelling by plane are covered by Forum's complete cancellation, travel protection and emergency medical insurance package. All land-based international trips include Forum's emergency medical insurance package. These programs are **not** optional and can only be revoked for a group with a signed insurance waiver.

Airlines and Airports

Participant(s) are subject to the terms and conditions of the airline, which constitute the sole contract between airline and passenger. Flight delays and schedule changes are the sole responsibility of the airline. Any domestic and international departure or arrival taxes, security charges, fuel surcharges, baggage fees or any other charges imposed by airlines, airports, governments etc. are subject to change without notice due to legislation beyond our control. Forum reserves the right to pass on said changes to each passenger. Additional tickets may be requested up to a maximum of 45 days prior to departure and may incur additional fees. Alternate return-date requests are limited to 10% of the total group size. It is not possible to alter your return departure-point or flight route. The deadline to submit a request for an alternate return is 90 days prior to departure. A \$150 Forum Service Fee will be applied for processing your request, and will be upheld if you choose not to take the option we offer. You will be informed of the final cost including any applicable airline supplements before changes are made. Any additional changes will incur fees as previously mentioned.

Governing Law

California law, without regard to its conflict of laws principles, shall govern and enforce this Agreement, regardless of where the services are performed or parties reside.

Claims And Statute Of Limitations.

Either Party may initiate dispute resolution proceedings by emailing or mailing a written notice to the other party within six months of the occurrence or six months of when the Party first had knowledge of the dispute issues. Both parties agree to waive all disputes where written notification was not provided within six months of when that claim arose.

Negotiation.

As a condition precedent to arbitration or any other dispute resolution, the Parties agree to enter into negotiation to resolve any dispute. After a party receives a notice of a claim, both Parties agree to submit a written statement of their position and then negotiate in good faith to reach a mutually agreeable settlement within sixty days or another reasonable amount of time as agreed by the Parties.

FORUM

LANGUAGE EXPERIENCE

TERMS AND CONDITIONS

Insurance.

If any claim is covered by insurance, as a condition precedent to filing arbitration, that Party agrees to file its insurance claim directly with the insurer prior to filing arbitration.

Arbitration.

If negotiations are unsuccessful in resolving any dispute, the dispute, except those within the exclusive jurisdiction of the Small Claims Court, shall be submitted to binding Arbitration with Judicate West applying the American Arbitration Association Rules, unless the parties mutually agree otherwise in writing. Any claim whether in the Small Claims Court or arbitration must be filed within 150 days from the date when notice was first sent to the opposing party. The Parties intend this paragraph to be a self-executing arbitration clause. The arbitration shall take place within 120 days after filing for arbitration, unless the parties stipulate otherwise. The Parties agree that all claims, whether in court or arbitration shall be filed in San Diego County.

Mediation.

A condition precedent to any arbitration decision is that within 60 days after the initial filing arbitration, a person from each Party with sufficient authority to resolve the case, and their legal representative, agrees to meet in-person to mediate the dispute. The place of the meeting shall be within San Diego County, and if the parties cannot agree on a location, it shall take place at the office of Forum. Each party agrees to pay one-half the costs of the Mediation. No less than 10 days prior to the mediation, each party agrees to submit a brief written statement of its position to the opposing Party. If either party fails to appear in person, that party must pay all the mediation costs as a condition precedent to further dispute resolution.

Settlement Offer.

Either Party may offer a written settlement proposal to the opposing party at any time that is valid for 15 days. The Prevailing Party is the Party who makes a Settlement Offer, and obtains an arbitration award or a later Settlement Offer from the opposing Party that is equal to or exceeds its earlier Settlement Offer. A Party who files a claim in Court, instead of according to the terms of this dispute resolution section, shall not be a Prevailing Party, even if it wins substantially all its claims in arbitration and exceeds its Settlement offer.

Attorney's Fees and Costs.

Attorney's fees and costs shall be awarded to the Prevailing Party in an arbitration. Costs shall be awarded to the Prevailing Party from the inception of the dispute. Attorney's fees and costs shall be awarded beginning with the date the Prevailing Party made its Settlement Offer.

Law Suit.

If either party files suit, other than a Small Claims law suit or to enforce arbitration, the Court shall award attorney fees against the party filing the suit, regardless of the outcome of that suit, in an amount of the actual attorney fees paid by the Plaintiff plus the unpaid billings of the current and prior month. The parties agree that the court is not authorized to award an amount less than the fees actually incurred.

Venue.

Any law suit, mediation or arbitration shall take place in the City of San Diego. Parties waive any objection to personal jurisdiction and venue

Re: Brief Overview of English Department

Patterns play a large role in the teaching of English. In our ten minutes, we would like to talk about how the teaching of English helps students understand, identify, apply, and build upon patterning. This topic is at the core of the work of an English teacher. Patterns give shape to the words on a page, to the ideas in written work, and to the development of our thinking. It is our hope that the work that we do helps students develop into thoughtful readers, articulate writers and speakers, and creative human beings. Below is a sampling of patterns that are part of the world of English instruction.

A. Literary examples

--echoing or amplifying current events: Warriors Don't Cry

--expanding meaning: Romeo and Juliet, Lord of the Flies

--structure: poetry--haiku, sonnet

drama

novels--plot, motif, theme

literary language--metaphor, irony, symbol, rhetorical choices in speech

B. Language examples

Before you start teaching about the election....

Teaching about any election brings up issues around politics which can often require teachers to navigate some challenging conversations with students. Below are some suggestions to help you maintain a positive and respectful class environment during these lessons.

Setting Norms:

- Even if you have a class contract or class set of rules, it is a good idea to go over a set of norms as you begin your election lessons. You can even begin by telling students that elections often involve people with strong opinions and it is important to always stay respectful.
 - Speak using "I" statements: you can only speak for yourself not an entire group, give only your opinions

- A photograph of the Terracotta Army in Xi'an, China, housed in a large, modern museum with a high, arched glass and steel roof. The image shows rows of terracotta soldiers in a trench, with visitors visible in the background. The image is used as a background for the text.
- What skills do we want kids to have when they leave our class?
 - Are our lessons meaningful to the students?
 - Technology integration changed our role in the classroom. With information at students' fingertips, the path to student inquiry and project-based learning became clear.
 - Thematic units now allow us to teach additional civilizations (Indus Valley, Kush, MesoAmerica)
 - Students are able to compare, evaluate and examine history rather than just memorize it.
 - Thematic teaching allows for the accomodation of various learning styles and continuous inquiry-based learning.

Dear Members of the School Committee:

Attached please find the February, 2017 monthly tracking reports, which consist of:

- Monthly Summary Report
- Budget Tracking Report as of January 31, 2017
- Grant Expenditure Report as of January 30, 2017
- Revolving Expenditure Report as of January 30, 2017
- Revolving Revenues as of January 30, 2017

Because this is my last monthly report for Arlington, I have made estimates to year end based on current spending trends. Normally, I would not make such estimates until much later in the spring, once the threat of snowstorms is well past. While I appreciate the necessity of doing the projections before I go, I caution all of you that many things could change between now and June 30. I can only project on the assumption that things will continue as they have begun this year, which is rarely the case.

You will notice that the overage has decreased dramatically. This is because I have started projecting savings in lines where I believe it will be in June, if things continue in a steady way. Until this point in the year, I have not projected any savings at all, unless the line was one that would not have further expenses, like 81119 - Summer Program. As I reported previously, despite the large increase in out of district tuition and the unanticipated increase in longevity, I felt there were savings in other areas that could mitigate much of that problem before we needed to utilize our reserves.

If the savings should ultimately prove to be less extensive than I am currently projecting, we still have \$325,000 in Special Education stabilization through Town Meeting, and a balance from prior years in the Tuition In revolving account slightly above \$300,000. My recommendation would be to utilize the Stabilization funds first, if necessary, and retain the Tuition In balance for future Special Education concerns. The funds in Tuition In are not easily replenished, due to changes in state requirements about billing other districts.

Also this month, we are presenting the FY18 Superintendent's Proposed Budget. While there will be more discussion at the meeting, I would like to make a few points about this budget here.

Most importantly, the FY18 Budget, as proposed, is a solid, workable budget that meets our current spending needs and allows us to address some open concerns. However, it is a lean budget, without wiggle room. It is very important that all of the reductions detailed be fully made, or substituted with other reductions of equivalent value. It is also very important that all departments, schools and divisions not exceed their totals. Should it be necessary to overrun in any given area of the budget, corresponding reductions in another area must be made.

Also, I would like to take this opportunity to once again recommend in the strongest possible terms that future Circuit Breaker funds not be utilized in FY18. The Department of Elementary and Secondary Education strongly recommends that districts utilize Circuit Breaker in exactly the way Arlington has been doing since FY13, which is to say that funds collected in a current fiscal year are held until the next fiscal year before they are used. By managing the Circuit Breaker funds in this way, we can have a very solid number to budget against. Any other approach introduces a level of uncertainty that is risky.

Many districts work for years to get themselves into our very fortunate current position with Circuit Breaker. To abandon this practice, particularly when there are changes underway in the financial administration of the district, opens the door to future fiscal problems. Projecting Circuit Breaker is fraught with uncertainty, and is tremendously labor intensive at our end. I ask you to at least delay any changes until a new, permanent CFO is hired and in place for some time. Arlington is a complex and challenging district to understand and manage financially. Adding yet one more potential problem for my successor is highly inadvisable. Trust me when I say that all of Arlington will benefit if you do all you can to keep things as simple as possible until the new person has a chance to gain an in-depth understanding of this district.

I would also like to take this opportunity to thank all of you for the opportunity to work with you. I have learned a great deal during my time here, and am grateful for all that I have

FY18 Superintendent's Budget Message

Arlington's location close to Boston and its high quality schools have continued to draw families to the community. Student enrollment has continued to climb in the Arlington Public Schools as new students arrive, while current students remain in the schools. The conclusion to be drawn is that Arlington's schools are providing the level of education that the Arlington community has come to expect. The School Department has benefited from stable and strong leadership, an excellent faculty engaged in life-long learning, and quality supporting services that keep schools operating smoothly. In addition, the School Department benefits from a productive partnership with the Town governing structures that provide ongoing support and an open dialogue on needed educational investments.

The challenge for the School Department is to continue to provide at minimum this same level of education while enrollment increases each year. Key to this year's budget proposal is a focus on building institutional capacity to support growth. An investment in some administrative positions is included to provide necessary leadership support for growing schools. The budget also ensures appropriate support for high needs students and continues to compensate teaching staff according to labor contracts ratified two years ago. In order to accomplish these goals, the district is relying on an increased Town Appropriation, which includes a previously agreed upon enrollment factor, as well as some restructuring of current expenses.

Mission and Vision for the Arlington Public Schools

The mission of the Arlington Public Schools is to educate students by promoting academic excellence, by empowering students to achieve their maximum potential, and by preparing students for responsible participation in an ever-changing world. The Arlington Public Schools are committed to helping every student achieve emotional, social, vocational, and academic success.

The strategic vision of the Arlington Public Schools is clearly stated in the goals adopted by the School Committee, which form the guiding principles for the future of education in Arlington. These goals are:

- Goal 1: The Arlington Public Schools will ensure that every graduate is prepared to enter and complete a post- secondary degree program, pursue a career, and be an active citizen in an ever-changing world by offering a rigorous, comprehensive, standards-based and data-driven K-12 system of curriculum, instruction, and assessment that integrates social, emotional and wellness support.
- Goal 2: The Arlington Public Schools will recruit, hire, retain, and build the capacity of a diverse staff to be excellent teachers and administrators by providing high quality professional development aligned to needs, instructional support, coaching, and an evaluation framework that fosters continuous improvement.
- Goal 3: The Arlington Public Schools will offer a cost effective education that maximizes the impact of taxpayer dollars and utilizes best practices, academic research, and rigorous self-evaluation to provide students and staff the resources, materials and infrastructure required for optimum teaching and learning in a safe and healthy environment.
- Goal 4: The Arlington Public Schools will be run smoothly, efficiently and professionally. The district will operate transparently and engage in effective collaboration and responsive communication with all stakeholders. It will provide timely, accurate data to support financial decision-making, envisioning of the district's future, and long-range planning in partnership with other Town officials. Through these actions it will create broad support for a high quality education system that is the community's most valuable asset.

Retention and Compensation of Faculty and Staff Positions

The investment in teachers and staff is the most important one a community can make in its schools, and the value of this investment grows along with teacher compensation. The Superintendent's budget provides increased compensation for faculty and staff, in accordance with the labor agreement concluded in FY16. At the time of the contract negotiation, the district drew on a Compensation and Benefits Survey Study for the Town of Arlington, Massachusetts, which can be found at <http://www.arlingtonma.gov/home/showdocument?id=22343>. This coming year is the last of the three year AEA contract, with a new contract to be negotiated for the FY19 school year. In FY18, all contractual salary increases will be funded while also providing a 2% salary increase for staff not covered under a collective bargaining contract.

Rounding out compensation needs, the district struggles to recruit and place daily substitute teachers to cover classes when a teacher must be absent for illness, a personal day, or professional development. In an effort to expand the pool of substitute teachers, the pay will increase by \$10 to \$85 a day, more in line with other communities in the area.

Administrative Support

During the past few years of unusually strong enrollment growth, the district targeted increases in staffing at the classroom level. This allowed class sizes to be managed appropriately and ensured that the district could maintain or increase course offerings. The district did not add administrative support at the same time. In fact, some administrative positions were not filled upon retirements. Over time, the demands on administrators has increased due to larger schools, the new evaluation system and added state and federal mandates, which has put pressure on their time and ability to properly address the leadership needs of the district. For example, the district does

not have a Director of Social Emotional Learning and Guidance. With growing awareness of student needs for learning social emotional skills and action plans to ensure the schools are as safe and supportive as possible, this position will be created in the FY18 budget. In addition, Arlington's elementary schools operate with only a principal and secretary to manage the active life within their walls. At the current size of some schools, this compromises the principal's ability to be the educational leader in the building. The FY18 budget will support hiring some part-time assistant principals at a few elementary schools.

Enrollment Growth and Class Size Mitigation

The FY18 budget also continues to provide additional teaching staff so that classroom sizes and course offerings can be maintained. The high school will receive an additional 2.0 FTE in teachers, and there are two reserve teachers budgeted, which will likely be necessary in certain elementary schools. It will be a challenge to balance classroom sizes while ensuring that students get their first choice of courses, but these additions will support that effort.

Ensuring Appropriate Student Support

Arlington continues to focus on meeting the needs of all learners. High needs students include those requiring special education services, receiving English Language Learner support, or coming from low income households. Our goal is to support all students in reaching educational benchmarks. In FY18, the district is making several investments to better support all students. These include:

- Two additional elementary learning specialists.
- Additional 0.5 FTE social workers at the middle and high school.

In addition, the previously mentioned Director of Social Emotional Learning and Guidance will have an important impact on the strategic focus of supporting safe and supportive learning environments at all levels. A welcoming culture where all students are safe to bring their whole selves to school each day is key to the ability of all students to achieve their best.

A small number of Arlington students need to be educated by specialized schools that provide services the district cannot provide. These placements are individualized, and therefore unpredictable. Historically, the cost for out-of-district placements in one year can vary, sometimes significantly, from the cost of out-of-district placements in the previous year. This will be the case in FY17. The district carries reserves to fund special education costs that exceed the budgeted amount. These reserve funds will be depleted to cover the increased expenses for FY17. For FY18, the district must allocate an additional \$1 million to cover all known out-of-district placements while also rebuilding some reserve to cover other potential out-of-district expenses.

Essential Curriculum Materials

The FY18 budget for curriculum materials will target some key needs. Every fifth grade teacher will receive the Children Discovering Justice curriculum and class sets of books to address the dearth of US History and Civics content materials for grades five through ten. Latin textbooks at the middle and high school have been rebound for many years and are beyond their useful life. They will be replaced, along with online resources. Sixth grade science curriculum will be updated. Social Studies and History materials at the high

school will be replaced. Additional investments in better assessment tools in literacy and math at the elementary level will allow the district to target student needs more precisely. Although not technically curriculum materials, with so many educational tools now computer and online based, the addition of an additional desktop support staff person for the school district supports advances in all facets of curriculum improvements. As a result, with careful strategic focus on the areas of the most highly needed materials and supports, the budget will provide sufficient curriculum resources to teachers and students.

Planning for Space Needs

Capital expenses are separate from the district's operating budget. However, it bears noting that FY18 will be an important year for addressing district space needs at all levels. Arlington Public Schools benefits from the strong commitment of the community to maintaining the neighborhood school model, while also improving space dedicated to the secondary level.

Stratton Elementary School, the last of Arlington's seven elementary schools to be renovated or rebuilt, is on track to open in September 2017. These renovations will greatly improve this school, one that hosted many students while their home schools were under renovation. Thompson Elementary School, housing fifth grade students in modular classrooms during the 2016-17 school year, will open six additional classrooms in September 2017. Rounding out the space additions and improvements at the elementary level, the School Enrollment Task Force has recommended the construction of six new classrooms at the Hardy Elementary School.

At the middle school level, the Gibbs School will be under construction for opening in September 2018 as a town-wide sixth grade. Enrollment pressures have overwhelmed the Ottoson Middle School and this new building will provide much needed relief.

The Massachusetts School Building Authority supported the renovation of Arlington High School and continues to work with the School Department and Town to achieve the goal of a rebuilt or renovated high school. The documentation required in first phase in the process has been completed.

Funding the Vision

As in prior years, increases in the net revenue for the School Department come from three funding agreements with the Town of Arlington. In FY18, the Town will fund a 3.5% increase in its appropriation for general education and a 7% increase in its appropriation for special education. Starting four years ago, the Town also provides a formula determined additional appropriation for enrollment growth based on certified numbers reported to the state in the past year. The total appropriation from these formulas provides a 6.6% increase over last year's Town Appropriation, resulting in \$60,928,485 in town funding for the district.

Other revenue sources for the School Department adjust the net revenue. Grant revenue is budgeted to decrease overall by 6.3%, with a potential reduction in the Title I grant as the prime reason. Revolving fees and reimbursements revenue overall is budgeted to decrease 12.1% as Circuit Breaker will be lower and the district is not taking one-time payments from revolving funds as it did in FY17. After these adjustments, total School Department revenues for FY18 will increase 5%, to \$66,336,733.

Budget additions needed for FY18 are beyond the funds provided by the revenue increase. Accordingly, the district has identified \$730,156 in budget restructurings that will have the least possible impact on day to day school operations. Planned additions to the budget beyond staff compensation and the allocation for out of district placements total \$836,034. In planning for these additions and reductions, the FY18 budget balances needs and available resources to fund the district operations appropriately for the coming school year.

Conclusion: District Challenges and Goals

The FY18 budget addresses current district challenges with the resources available, while also making adjustments as appropriate. The largest challenge will be supporting the high quality of education currently provided in the face of continued growing enrollment and the enduring need to support all students. With the strong collaboration of the Town of Arlington, the school district will continue to provide the level of educational quality it is now providing, while observing the resource constraints of the community. This accomplishment, together with focusing on building for space needs to meet educational requirements, is evidence of the strong support of Arlington's residents for all of Arlington's students.

Arlington School Committee Approved June 9, 2016

**Arlington Public Schools
District Goals 2016-2017**

Goal 1 - Student Achievement

The Arlington Public Schools (APS) will ensure that every graduate is prepared to enter and complete a post- secondary degree program, pursue a career, and be an active citizen in an ever-changing world by offering a rigorous, comprehensive, standards-based and data-driven K-12 system of curriculum, instruction, and assessment that integrates social, emotional and wellness support.

Strategic Initiatives:

1. Identify the essential learning standards and progressions by discipline at all levels and align curriculum and instruction as well as assessments with those standards and progressions. This alignment will support efforts to prepare students for college and career (two-year timeline).
2. Refine the educational vision and programs of the high school, integrating its core values and identified essential habits of mind, in order to meet the needs of all students to prepare them for college and career in a globally connected world. Space utilization recommendations for the Massachusetts School Building Authority (MSBA) feasibility study for a renovated or rebuilt high school will be based on the refined vision and programs.
3. Establish a district-wide committee to assess the Student Support Team model, the Response to Intervention process and special education support at all levels to recommend changes in the current model to better meet the needs of students needing academic and social-emotional support.
4. Establish a planning committee to assess the district's strengths and challenges in creating safe and supportive school environments for all students and for providing students with social-emotional and cultural proficiency skills needed for college and career readiness and to be contributing members of a diverse democratic society.

Goal 2 - Staff Excellence and Professional Development

The Arlington Public Schools will recruit, hire, retain, and build the capacity of a diverse staff to be excellent teachers and administrators by providing high quality professional development aligned to needs, instructional support, coaching, and an evaluation framework that fosters continuous improvement.

Strategic Initiatives:

1. Provide professional development to support the implementation of the new science curriculum in grades 4-5 and the new mathematics curriculum in grades K-1.
2. Provide administrators with cultural proficiency professional development during the 2016-2017 school year and plan for similar professional development for teachers during the 2017-2018 school year.

3. Provide on-going and regular professional development in technology to support teachers in using technology to enhance teaching and learning in their classrooms.
4. Increase the diversity of the APS staff over the 2015-2016 staffing levels to better reflect the diversity of our students.

Goal 3 - Resources, Infrastructure and Educational Environment

The Arlington Public Schools will offer a cost effective education that maximizes the impact of taxpayer dollars and utilizes best practices, academic research, and rigorous self-evaluation to provide students and staff the resources, materials and infrastructure required for optimum teaching and learning in a safe and healthy environment.

Strategic Initiatives:

1. Complete the Stratton renovation project for the school to reopen in September 2017.
2. Complete the design of the Thompson addition.
3. Implement the next phase of the Technology Plan.
4. Complete all documentation required in the Eligibility Period (modules 1 – 2) in the MSBA process for rebuild or renovation of the high school, involving all stakeholders in the process.

Goal 4 - Operations, Communication and Stakeholder Engagement

The Arlington Public Schools will be run smoothly, efficiently and professionally. The district will operate transparently and engage in effective collaboration and responsive communication with all stakeholders. It will provide timely, accurate data to support financial decision-making, envisioning of the district's future, and long-range planning in partnership with other Town officials. Through these actions it will create broad support for a high quality education system that is the community's most valuable asset.

Strategic Initiatives:

1. Complete a dashboard of district metrics to provide the community with a quick overview of key metrics of the Arlington Public Schools.
2. Implement upgrades to the district's financial software and provide professional development for all users to improve the efficiency of financial operations.
3. Continue to engage parents and stakeholders as the district addresses enrollment and facility needs.

Detailed Key on All Proposed Increases for FY18

A. Requested and Unfunded Carried Over from FY17

Special Education

1. **Funded** - Enrollment growth and high needs.

To support students receiving special education services and students struggling to meet grade level standards, we need to add two additional learning specialists at the elementary level. Last year we requested four learning specialists, and funded only two, so this year we need two additional learning specialists. Principals have highlighted the scheduling issues arising from too few learning specialists that prevent interventions from happening. The addition of two learning specialists would address some of the scheduling challenges noted by principals. Learning specialists provide services required by Individualized Education Plans, increase inclusion of special education students, and support teacher development for all students. The cost is budget to be \$146,640 for these two positions.

2. **Unfunded** - Enrollment growth and high needs.

Each of the two additional elementary learning specialists requested requires a teaching assistant as support. The cost of two additional teaching assistants is \$35,374.

IMPACT OF NOT FUNDING: The two additional learning specialists will need to draw their teaching assistant support from the current teaching assistant staffing.

3. **Unfunded** - High needs.

We are requesting to increase the salary of special education teaching assistants at Ottoson Middle School to the behavior support personnel level. This is a salary increase of \$8,086 for seven current staff, for a total cost of \$56,602. The higher salary of \$25,773 will help address persistent and severe difficulties in recruiting and retaining these valued staff.

IMPACT OF NOT FUNDING: It will continue to be difficult to retain and attract staff for these positions.

4. **Unfunded** - High needs.

We are proposing to pay Supported Learning Center teaching assistants district-wide at the behavior support personnel rate. This is a salary increase of \$8,086 for 23.8 current staff, for a total cost of \$192,447. The higher salary of \$25,773 will help address persistent severe difficulties in recruiting and retaining these valued staff.

IMPACT OF NOT FUNDING: It will continue to be difficult to retain and attract staff for these positions.

Elementary

5. **Unfunded** - Enrollment growth and high needs.

Tools of the Mind is a rigorous full day academic curriculum replacing curriculum that emphasized morning academic programming. In order to implement this program with integrity, it requires full day teaching assistant support. Therefore, elementary principals have requested increasing the current 7.05 half-time Kindergarten teaching assistants to full-time in order to better support the Kindergarten curriculum. The cost of doing this is \$124,693.

IMPACT OF NOT FUNDING: This program is based on significant personalization of instruction which is not achievable with large class sizes and/or large numbers of high needs students in a classroom without sufficient staffing.

Middle School

6. **Unfunded** - Enrollment growth.

The middle school's continued increased enrollment has created a need for additional class sections in the world language area, specifically for Spanish and French. French enrollment has doubled and there are over 27 students on average per class. Spanish classes are already very large, with just under 26 students per class in the sixth grade while eighth grade classes average 25. The school anticipates continued high levels of enrollment in both languages. Accordingly, we request \$58,656 for an additional 0.8 full-time equivalent Spanish/French teacher, based on an average teacher salary of \$73,320.

IMPACT OF NOT FUNDING: Class sizes of nearly 30 provide an unacceptable educational environment. Students in these classes are experiencing an inequity in their education.

High School

Note: For numbers 7 and 8 in the Requested and Unfunded from FY17 requests, and numbers 29-31 in the FY18 budget asks, the FY18 budget has allocated 2.0 FTE in additional teachers for a cost of \$102,000. This assumes the hiring of Masters step 1 teachers at a cost of \$51,000. The actual allocation of the teaching staff will be determined after enrollment numbers are clear.

7. **To be determined** - See note above for information on staffing additions included in the budget.

Enrollment growth.

This is a request for an additional 0.8 social studies teacher. Part of this position would enable the third curriculum B section to be co-taught, improving the services provided to our high needs students. With the addition of several level one and two English language learner students this year, additional instructional support is needed in their classes. Additionally, the history department's enrollment is continuing to grow. Next year the history department's core course enrollment is projected to increase by six percent (roughly 60 students). With a larger incoming freshman class and a large sophomore class moving up (with a small senior class graduating this year), additional staffing is needed for our core courses in 9th and 11th grade. The

cost of this request is \$40,800, based on a Masters step 1 salary of \$51,000.

8. **To be determined - See note above #7 for additional information on staffing additions included in the budget.**

Enrollment growth.

Because of increased enrollment in high school science classes, we request an additional 0.6 full-time equivalent science teacher to cover additional class sections needed in biology and physics, without creating overly large classes. More students than in the past are taking science for all four years, and some students double up on science classes. Increasing enrollment has outpaced staff increases, exceeding lab safety and the ability of teachers to manage effective laboratory instruction. All the while, effective lab classes are essential to 21st century skills. Thirty-one percent of lab classes this year exceed the lab space of 24 students per lab, and there are 70 more students coming next year. The cost is budgeted at \$30,600, based on a Masters step 1 salary of \$51,000. The National Science Teachers Association, National Science Education Leadership Association, American Chemical Society and National Fire Protection Board all recommend no more than 24 students in a science classroom because safety incidents increase dramatically above that level. The impact is more severe at the high school because our square feet per student is far below the 60 square feet recommended.

9. **Unfunded - Enrollment growth.**

Eighty-three percent of high school students are enrolled in a world language program. Enrollment in the French program at the middle school has doubled in recent years. These students entered the high school this year, resulting in a doubling of sections offered at the French 2 level. We were able to offer sufficient sections in FY17 by combining an upper level class (AP French and 5H), which will not be possible next year. Next year, these students will enter French 3 and an equally large amount of students will come in as freshman as well. Without additional staff in the French program, we will no longer be able to offer a full range of French courses. We do not have enough French staff to offer all the courses needed next year, and the program will be severely impacted. Spanish class averages have also been increasing. A request for a 0.2 Spanish teacher for FY17 was not funded, resulting in our three sections of Spanish 3A running at 28, 28, and 29. Next year, we anticipate a larger number of students entering Spanish three coming in from the middle school. If we do not increase sections of Spanish 2 next year, we expect an average class size in that course of 30.29. If we do not increase sections of Spanish 3 next year, we expect an average class size of 28.67. All other sections of Spanish are running over 20, so there is no room to cut. We are also expecting high enrollment in AP Spanish next year, with a possible class of 30. Adding a 0.4 Spanish would be a minimum need to keep our class sizes below 30. The cost of adding a 0.4 FTE Spanish/French teacher is \$29,328, based on the average teacher salary of \$73,320.

IMPACT OF NOT FUNDING: If we don't add staffing, will not be able to offer full sequence, or we will have classes of 38-39.

10. **Unfunded - Enrollment growth.**

The visual art department needs another 0.4 FTE teacher. There is now a Fine Arts graduation requirement along with

increased interest in visual arts overall. The cost is \$29,328 at the average teacher salary of \$73,320.

IMPACT OF NOT FUNDING: The impact of not funding will mean crowded art classes and fewer students able to get their first choice elective.

11. **Unfunded** - Enrollment growth.

The athletic director has requested a budget increase of \$121,965 to provide appropriate materials, supplies and services for the growing high school athletics program. This includes an increase in transportation costs as well as for ice time cost increase. Particular needs include supporting the growth of boy's hockey freshman team with coach and ice time, potentially adding a second season for the swim team in the winter, and reinstatement of unfilled coaching stipends.

IMPACT OF NOT FUNDING: Not funding this request may result in not covering all increased costs of the athletic program. This could, for example, affect the schedule for non-safety related equipment purchases, uniform replacement, and the size of the coaching staff.

12. **Unfunded** - Essential curriculum materials.

Enrollment in high school visual art courses has increased by at least 15% in recent years as has the cost of art supplies. Art supplies for high school art courses have been underfunded for a number of years. Depleted inventories have worsened the situation. The quality of materials and resources impacts the quality of learning as well as student outcomes and achievement. We request an additional \$9,900 for needed supplies.

IMPACT OF NOT FUNDING: Without this funding, the materials available to teach the basic art curriculum will be limited.

13. **Unfunded** - Essential curriculum materials.

Based on increased enrollment in high school FACS classes along with climbing food costs, we request an additional \$2,500 for the materials and supplies for this department.

IMPACT OF NOT FUNDING: Without this funding, the materials available to teach the basic FACS curriculum will be limited.

Other

14. **Unfunded** - Enrollment growth.

As in prior years, this budget request includes reserve teachers to be allocated where needs arise when actual enrollment in each school and department is known. The cost of the three reserve positions requested is \$219,960, based on the average teaching salary of \$73,320.

IMPACT OF NOT FUNDING: The district is asking for an additional two reserve teachers in the FY18 budget ask in addition to these three reserve teachers that were requested for FY17. Only two out of the total five requested for FY18 will be funded. The impact of not fully funding this ask is a reduced ability to address inequitable class sizes or inability

to meet the full demand for courses.

15. **Funded** - Enrollment growth, high needs.

With higher enrollment and a growing need for guidance services because of increased student social emotional challenges, including anxiety and related issues, the request includes a request for a Director of Social Emotion Learning and Guidance Pre-K-12. This additional administrative support will allow service providers to support a coordinated approach Pre-K-12 to provide appropriate guidance services district-wide. The approximate cost of filling this position is \$95,000.

16. **Unfunded (but funded differently in FY18 ask in line 35)** - Essential curriculum needs and enrollment growth.

We are proposing to increase the Director of Performing Arts K-12 position from a 0.2 to a 0.5 full-time equivalent. Adding to this position will improve the district's ability to hire an appropriate candidate. This administrator will also have some teaching responsibilities. The budgeted cost of this 0.5 full-time equivalent increase is \$47,500.

Note: This position was requested at a different level in FY18 in line item 35, and funded.

17. **Unfunded** - Essential curriculum needs, unfunded mandates (CCSS), enrollment growth and high needs.

This request includes an additional full-time equivalent elementary math coach. This will complete the elementary math coaching team. The additional coach would also assist in the implementation of the new math curriculum. The cost of this coaching staff is approximately \$73,320, the average teacher salary.

IMPACT OF NOT FUNDING: Support of elementary teachers for teaching math will be affected. There has been a significant increase in the academic performance of district students in math. However, we have a continuing increase in the number of high needs students, and as a result, a growing number of teachers needing to be supported in differentiated math instruction. Therefore, an increase in math coaching is critical both to maintain the current level of service and to continue growth in math achievement.

18. **Unfunded** - Enrollment growth and high needs.

An additional literacy coach proposed for the elementary level will bring the total full-time equivalent for these positions to 2.6. The current 1.6 level is not sufficient to coach all elementary teachers on the skills needed to support the wide variety of student needs for literacy teaching and learning. The budgeted \$73,320 is requested for this additional position.

IMPACT OF NOT FUNDING: The expansion of the Lucy Calkins program to reading, the increased rigor of the common core state standards and the continued layering of more demands on classroom teachers build a need for additional coaching support for elementary classroom teachers. Support for teachers implementing the new curriculum will be affected and may affect academic performance of students.

19. **Unfunded** - Enrollment growth.

Section 2

While in the past it has seemed reasonable that parent-teacher organizations support the operation of elementary school websites, as the district grows and greater numbers of parents and community members use the sites, there is a need for better coordination and standardization among them. To address this need, we include a request for a 0.2 full-time equivalent position to support an enhanced web presence. The expected cost of this addition is \$14,664, based on the average teacher salary of \$73,320.

IMPACT OF NOT FUNDING: Digital (web) presence across the district is uneven and inconsistent. Parents' and community members' demand for more equitable digital resources from the schools requires additional staffing to handle real-time updates of school and district websites and creation of a complex dashboard to provide key information.

20. **Funded** - Enrollment growth.

Our technology network is very large; and larger than districts of our size. As the district has simultaneously added teachers and technology, there is an increased need for desktop support for the devices used daily by teachers. In addition, implementing PARCC on computers requires additional support. We are also implementing VOIP, which will use the same network. For this reason, we are including an additional desktop support person; this position will cost approximately \$55,000. This support will help ensure that the continuing investment in technology is working at a high performance level.

B. FY18 Proposed Increases

Special Education

1. **Unfunded** - Enrollment growth and high needs.

Individual Education Plans (IEPs) are updated and revised frequently, and new students qualify for special education services each year. We request funding for five reserve teaching assistants to be allocated as required by IEPs. The cost is \$88,435, based on the teaching assistant salary of \$17,687.

IMPACT OF NOT FUNDING: The district's budget includes 4.5 reserve teaching assistants. We will draw from this reserve for teaching assistants to meet both general and special education needs.

Elementary

2. **Unfunded** - Enrollment growth, high needs, and unfunded mandates.

We are requesting two additional math interventionists. A new version of the math curriculum, a revised version of math assessments and data analysis, as well as shifts in pedagogy, necessitate support for the teachers. A full salaried staff of interventionists at elementary schools would be the start of the student intervention team. The cost of two interventionists is \$146,640, based on the average teacher salary of \$73,320.

IMPACT OF NOT FUNDING: We may lose current staff due to low salary or due to Title 1 funding reduction. Then we would no longer have any full-time math interventionists in the district.

3. **Unfunded** - Enrollment growth.

With higher enrollment, and more classrooms in the elementary grades, the district needs more elementary specialists in art and music to meet the needs for these classes. In addition, at current staffing levels, it is difficult to schedule these classes at times that allow all the other needs of the elementary schools to be addressed. This includes common planning time, staggering subject areas to accommodate special education and English language learner services, Title I intervention and reading services. We propose to hire one FTE divided between the requirements of art and music. The cost is \$73,320, the average teacher salary in FY18.

IMPACT OF NOT FUNDING: Continued stress on scheduling appropriate class times for art and music, limiting ability to appropriately schedule core academics so that all students can participate.

4. **Unfunded** - Enrollment growth and high needs.

In order to be a Level 1 school, all schools need to meet their target for closing the achievement gap between high needs students (students with disabilities, English language learners, former English language learners and economically disadvantaged students). As the enrollment grows in Arlington, the numbers and needs of high needs students is growing also. This affects all aspect of the elementary schools and is also why we are requesting an additional Board Certified Behavior Analyst (BCBA). Common services may include, but are not limited to, conducting behavioral assessments, analyzing data,

writing and revising behavior-analytic treatment plans, training others to implement components of treatment plans, and overseeing the implementation of treatment plans. Behavior analysts are qualified to provide services to clients with a variety of needs, including improvements in organizational functioning (e.g., staff performance, management and pay structure interventions), skill deficits (e.g., communication, adaptive behavior), and problem behavior (e.g., aggression, self-injurious behavior), among others. In our setting, BCBAs also help to build the capacity of all teachers who work with our students. Learning how to implement a behavioral plan for a student is essential to that student's success. We are requesting funding for an additional BCBA so that the district has four. The cost of this is \$73,320, the average teacher salary in FY18.

IMPACT OF NOT FUNDING: Continuing difficulty in providing behavior analysis support in elementary schools, impacting the ability to support high needs students.

5. **Unfunded** - Enrollment growth, high needs, unfunded mandates (CCSS).

As student population has soared at Bishop Elementary School, we have not added additional reading FTE's. The Fountas & Pinnell Leveled Literacy Intervention System (LLI) tutor, at a \$28,500 salary, would provide needed support for Tier II Response to Intervention (RTI) for grades K-2 in the buildings that don't currently have the Title I Literacy Tutors (Hardy, Stratton, and Thompson).

IMPACT OF NOT FUNDING: More primary students reading below grade level not receiving additional RTI reading support, which could impact ability to read on grade level by end of grade three.

6. **Unfunded** - Enrollment growth, high needs and unfunded mandates (CCSS).

Same as number 5, for Brackett Elementary School.

7. **Unfunded** - Enrollment growth, high needs and unfunded mandates (CCSS).

Same as number 5, for Dallin Elementary School.

8. **Unfunded** - Enrollment growth, high needs and unfunded mandates (CCSS).

Same as number 5, for Peirce Elementary School.

9. **Unfunded** - Enrollment growth, high needs and unfunded mandates.

One of the ways that the district has begun to help elementary schools welcome all students and establish communities where students are able to thrive socially and emotionally is the Responsive Classroom approach. This approach is a way of teaching that emphasizes social, emotional, and academic growth in a strong and safe school community. Developed by classroom teachers, the approach consists of practical strategies for helping students build academic and social-emotional competencies day in and day out. Over the past three summers, the Project SUCCESS Grant has funded a four-day training on the principles and best practices of Responsive Classroom for 30 staff members. This work has supported the need for a consistent approach to addressing student expectations. Through the use of common language, school wide expectations, and community building

activities, students are recognizing their voice and seeing their role as members of the greater school community. This contributes to positive social and emotional growth of both staff and students. Schools that have been using this approach have noticed a significant change in office referrals and a consistency around how teachers are working to make sure expectations are clear and consequences for students are logical. It is important that we are able to continue this work where it has started and begin this work in other schools. The cost of this summer training for 30 staff members is \$42,000.

IMPACT OF NOT FUNDING: We will not be able to spread this systematized approach to building more safe and supportive schools to more staff and schools. As a result, students will not be as well supported to become self-aware, responsible, collaborative, and motivated learners.

10. **Unfunded** - Enrollment growth, essential curriculum materials, and unfunded mandates (CCSS).

Elementary schools need classroom libraries representing diverse characters and interests, multiple levels, multiple genres and topics (for example, information books). The district has made a shift toward a reading program that teaches specific, Common Core, reading comprehension skills, while engaging each student's personal preferences and motivation in regard to individual selection of reading materials - along with small group and whole class texts. There is a focused target to develop reading stamina and volume with our students, so that they can more readily consume larger quantities of text as they advance in grades. This approach requires a substantial investment in classroom libraries. The books students have ready access to in their room need to be of carrying size and appropriate levels, represent different cultural perspectives and be of high quality and high interest. To better support this initiative, the district would need to invest in this resource. We estimate that somewhere of \$10,000 per school, (about \$500/classroom) would make a strong impact in this area. Therefore, the request is for \$70,000.

IMPACT OF NOT FUNDING: District will not be able to offer students access to the same degree of high quality, culturally diverse, multi-leveled classroom libraries that is needed for them to become self-motivated readers, with the ability to read a wide range of texts and sustain that reading over a prolonged period of time.

11. **Unfunded** - Enrollment growth, high needs and essential curriculum materials.

In conjunction with the LLI tutors requested in numbers 5-8 above, we will need to purchase LLI materials to support the literacy tutors. The cost for materials for the four new staff is \$27,500.

IMPACT OF NOT FUNDING: The impact is the same as not hiring the LLI tutors, which is more primary students reading below grade level not receiving additional RTI reading support, which could impact ability to read on grade level by end of grade three.

Middle School

12. **Unfunded** - Enrollment growth.

Over 1,000 students take visual art at Ottoson Middle School and crowded classes give rise to a request for a 0.4 FTE visual art teacher. This addition will provide smaller class sizes and give students the support of a dynamic teaching team. The cost

is \$29,328, based on the average teacher salary of \$73,320.

IMPACT OF NOT FUNDING: Art classes will be crowded for all three middle school grades.

13. Unfunded - Enrollment growth.

Middle school students have been taking Digital Media and Literacy (DML) in the sixth grade. Students learn computer science through a mix of programming, web development, how computers work, and the digital literacy topics included in the new Massachusetts computer science standards. There is currently a void in computer science classes for seventh and eighth grade. An additional 0.4 FTE DML teacher would allow us to create an elective for next year, so that an additional 50 students could take computer science. The cost is \$14,664, based on the average teacher cost of \$73,320.

IMPACT OF NOT FUNDING: Students in 7th and 8th grade will lack computer science; there will not be a computer science course progression from grades six through 12.

14. Unfunded - Enrollment growth.

In addition to the 0.8 full-time equivalent Spanish/French teacher requested last year and not funded, the department needs an additional 0.2 FTE, bringing the total request to 1.0. As noted earlier, enrollment in the middle school continues to rise. The French program in the middle school has almost doubled with no new staff to offset class size increases. Our eighth grade French class average size is 27. Our sixth grade Spanish class size average is 25.83 and our eighth grade Spanish class size average is 25. We anticipate continued high levels of enrollment in both languages, with anticipated enrollment of approximately 715 students next year. The cost of the 0.2 FTE teacher is \$14,664, based on the average teacher salary of \$73,320.

IMPACT OF NOT FUNDING: Class size averages will remain high, with some classes possibly over 30.

15. Unfunded - Enrollment.

There are 66 students enrolled in sixth grade Latin. It is highly likely that most or all students will continue with Latin next year into seventh grade. We are currently running two sections of seventh grade Latin. If there are only two Latin sections next year, the class average will be 33 students. Adding an additional 0.2 FTE Latin teacher will create a new seventh grade section, which will result in a class average of 22. After careful study of the current and anticipated numbers of students, there is no other class where we can reduce a section in order to add one to Latin and keep level staffing. The cost of the 0.2 FTE Latin teacher is \$14,664, based on the average teacher salary of \$73,320.

IMPACT OF NOT FUNDING: The average size for seventh grade Latin classes will be 33 next year.

16. Unfunded - Enrollment growth and high needs.

There is a consistent group of 10-15 students referred for reading support at the middle school. These students have diagnosed reading issues and need to receive Tier 2 and/or 3 reading instruction. Some students receive this as a result of an IEP, others do not. There is a large group of Tier 3 sixth grade student this year. As a result, we need to add a 1.0 FTE reading teacher at

the middle school at a cost of \$73,320.

IMPACT OF NOT FUNDING: It is very difficult to support student with reading needs, both students with and without IEPs.

17. **Funded** - Enrollment growth and high needs.

Given expanding middle school enrollment and guidance caseloads, the district needs to add 0.5 FTE social workers to the guidance department. The Arlington Education Association labor contract stipulates no more than 300 students per counselor. This year the numbers are over the limit by 4 for each counselor and student numbers will increase next year. In addition, the school is requesting an additional 1.0 social worker for students with high levels of need, but this FTE cannot be funded. The cost of 0.5 FTE social workers is \$36,660, based on the average teacher salary of \$73,320.

18. **Unfunded** - Enrollment growth and essential curriculum needs.

With the increased enrollment at Ottoson, the music classes need ten additional risers and three electric pianos to implement the current curriculum and support the singing groups. These items cost \$16,000.

IMPACT OF NOT FUNDING: The music department will not have the optimal equipment for its current programming.

19. **Unfunded** - Enrollment growth.

Art supplies for the Ottoson have been underfunded for a number of years. This coming year, we are requesting funds for the purchase of wooden easels. Easels are an essential part of a strong studio art program because they promote good student observational practice and good reflection practice. Most of the middle school's easels are in disrepair and non-functional.

IMPACT OF NOT FUNDING: Students lose opportunities for learning good artistic practice that working on an easel can provide.

20. **Unfunded** - Enrollment growth, essential curriculum materials and unfunded mandates.

The middle school would like to implement social emotional skills training across the school. These skills are key to success in the future for all students. This year, the school has grant funds to develop an action plan for moving toward building a safer and more supportive environment. The school will need resources to support its implementation work in building a safe and supportive environment for all students. The skills of self-awareness, self-management, building relationships, and responsible decision making are key to the future success of all students. An estimate cost is \$10,000 for the coming year.

IMPACT OF NOT FUNDING: The middle school will not be able to implement its action plan for becoming a safe and supportive school as smoothly and as swiftly.

High School

21. **Unfunded** - Enrollment growth and high needs.

The high school needs a 0.4 FTE math teacher because of enrollment growth, with a focus on the curriculum A courses. With shifts in programs for honors/AP courses and curriculum B courses over the past few years, the curriculum A course has increased in course size average, with many classes of 25 or more students. This increase would balance the class sizes among math courses. Demand for math in general has grown, with 76 to 96% of Seniors now taking math so that 111% of AHS students take Math. The department has been building upper level math classes, and refining lower level math classes. The cost of this is \$29,400, based on the \$73,320 average teacher salary.

IMPACT OF NOT FUNDING: Class sizes may increase strongly due to enrollment growth.

Note: For numbers 8 and 9 in the Requested and Unfunded from FY17 requests, and numbers 22-24 in the FY18 budget asks, the FY18 budget has allocated 2.0 FTE in additional teachers for a cost of \$102,000. This assumes the hiring of Masters step 1 teachers at a cost of \$51,000. The actual allocation of the teaching staff will be determined after enrollment numbers are clear.

22. **To be determined** - See note above for information on staffing additions included in the budget.

Enrollment growth.

In addition to the unfunded request from FY17 for a 0.4 FTE Spanish/French teacher, this year the department is increasing the request by an additional 0.6 FTE. This would allow a total increase in FTE for Spanish/French to 1.0 FTE. 83% of high school students are enrolled in a world language program. Enrollment in the French program at the middle school has doubled in recent years. These students entered the high school this year, resulting in a doubling of sections offered at the French 2 level. We were able to offer sufficient sections by combining an upper level class (AP French and 5H), which will not be possible next year. Next year, these students will enter French 3 and an equally large amount of students will come in as freshman as well. Without additional staff in the French program, we will no longer be able to offer a full range of French courses. We do not have enough French staff to offer all the courses needed next year, and the program will be severely impacted. Spanish class averages have also been increasing. A request for a 0.2 Spanish teacher last year was not funded, resulting in our three sections of Spanish 3A running at 28, 28, and 29. Next year, we anticipate a larger number of students entering Spanish three coming in from the middle school. If we do not increase sections of Spanish 2 next year, we expect an average class size in that course of 30.29. If we do not increase sections of Spanish 3 next year, we expect an average class size of 28.67. All other sections of Spanish are running over 20, so there is no room to cut. We are also expecting high enrollment in AP Spanish next year, with a possible class of 30. The cost of a 0.6 FTE Spanish/French teacher is \$30,600, based on a Masters step 1 salary of \$51,000.

23. To be determined - See note above #22 for additional information on staffing additions included in the budget.

Enrollment growth.

The district needs an additional 0.2 FTE Mandarin teacher. As students from Ottoson who have enrolled in Mandarin are entering the high school, we are able to offer stand-alone sections of the various Mandarin classes. This year, we offered a stand-alone Mandarin 2 class, and a combined level Mandarin 3-4 class. Next year, we will need to offer a stand-alone Mandarin 2 class, a stand-alone Mandarin 3 class, and a stand-alone Mandarin 4 class. We anticipate over 20 students in each class, so will not be able to combine any levels. The cost of a 0.2 FTE Mandarin teacher is \$10,200, based on a Masters step 1 salary of \$51,000.

24. To be determined - See note above #22 for additional information on staffing additions included in the budget.

Enrollment growth.

All AHS students take English classes and 12 sections are currently 25 or over, with an expected increase of 70 students for next year. As a result, we need an additional 1.0 FTE in the English department as a cost of \$51,000 based on a Masters step 1 salary of \$51,000.

25. Funded – Enrollment growth and high needs.

Given increased enrollment and high student social emotional learning needs, social work staff has been re-distributed among the schools and programs for next year. Once this reallocation was completed, the high school required an additional 0.5 FTE social worker. The cost of this position is \$36,660, based on the average teacher salary.

26. Unfunded - Enrollment growth and essential curriculum materials.

Art supplies for high school art courses have been underfunded for a number of years. Depleted inventories have worsened the situation. The cost of art supplies has been going up. This is a request for an additional \$2500.00 for general art supplies. The quality of materials and resources impacts the quality of learning as well as student outcomes and achievement.

IMPACT OF NOT FUNDING: There will be less variety and quantity of art materials. This impacts the levels of teacher and student creativity and achievement.

27. Unfunded - Enrollment growth.

A request for a kiln for the visual art department is because the department is anticipating 80 more students next year. In the past, have seen more than the department's actual expectations actually enroll. The kiln costs \$2,500.

IMPACT OF NOT FUNDING: Capacity and quality of art classes will be reduced.

28. Unfunded - Enrollment growth and essential curriculum materials.

The science department needs new texts for the AP Chemistry and AP Biology courses. Enrollment has grown from six AP sections to nine in the department. At this point the texts are out of spec with AP chemistry and biology. The College Board

Section 2

won't approve Texts that are older than 10 years, which would impact these two subjects. The cost of new texts for these courses is \$15,000.

IMPACT OF NOT FUNDING: These two classes could face rejection from acceptance for AP standing from the College Board.

29. **Unfunded** - The high school is requesting \$104,600 for staff computers and replacement of classroom projectors. This is outside of the normal technology replacement schedule.

IMPACT OF NOT FUNDING: Some AHS teaching staff will not have recently replaced computers and classroom projectors.

30. **Unfunded** - The high school is requesting \$100,000 in building improvements to Arlington High School. The building, while safe and clean, is outdated and in need of cosmetic improvements in many areas.

IMPACT OF NOT FUNDING: The appearance of the high school will not be improved in the coming year.

31. **Unfunded** - Enrollment growth.

The high school is requesting \$10,000 for new classroom equipment. The need is based on growth in the numbers of students in classes.

IMPACT OF NOT FUNDING: Current challenges in accommodating all students in classrooms will continue.

Other

32. **Unfunded** - Enrollment growth.

High school staff are requesting an additional Dean for the school. The school's enrollment is now up to 1,300 and there are currently two Deans. Suspended students are now required to receive instruction while out of school, so the demand of providing that new service is also carried by the two Deans. The cost of an additional Dean is \$95,000.

IMPACT OF NOT FUNDING: The current Deans will continue to share responsibility for a growing number of students.

33. **Funded** - Enrollment growth, high needs, essential curriculum materials and unfunded mandates.

The district does not have any assistant principals in the elementary schools. There are growing numbers of students, increasing numbers of high need students, increased curriculum demands on elementary teachers, and the need to provide educational leadership to fulfill all the mandated aspect of elementary education. Therefore, these schools now need the support of assistant principals. This additional school leader will have an integral and clearly defined role in running the building. The budgeted cost of an assistant principal is \$95,000, and the **district would like to hire five for the largest elementary schools. However, funding constraints limit the hiring to 2.0 FTE.**

Section 2

34. **Funded** - Enrollment growth and high needs.

Given the strong enrollment growth that has happened and is expected to continue, the district is asking for two reserve teaching positions to be allocated as needed during the FY18 school year. These two positions cost \$146,640 based on the average teacher salary of \$73,320.

35. **Funded** - Enrollment growth and essential curriculum materials.

The district requires additional FTE in the Music Director K-12 position. The FY18 ask requests \$40,000 for this position, and adds it to the \$15,000 currently being spent on the position. This will bring the position to a 0.5 total FTE.

36. **Funded** - Enrollment growth.

The district is struggling to fill its daily needs for substitute teachers. In order to attract and retain a larger pool, the budget request includes increasing the daily rate for substitutes from \$75 to \$85 a day. This brings the district more in line with local school districts. The budget adds \$37,074 for this additional cost.

37. **Unfunded** - Enrollment growth, essential curriculum materials and unfunded mandates.

The district's technology support personnel are paid below market rate. In order to retain quality staff and pay them appropriately for their work, the district is requesting \$22,000 to adjust these salaries. Retaining and attracting quality technology support staff protects the investment the district has made in instructional technology.

IMPACT OF NOT FUNDING: It will be hard to retain and attract quality technology support staff.

Funding Summary

The Funding Summary shows a breakdown of the funding changes that happened as the District moved from the FY14 Budget, through the FY15, FY16 and FY17 Budgets as revised to reflect final grant amounts. It also shows the funding changes that are expected to happen as the District moves from the FY17 Budget to the Superintendent's Proposed FY18 Budget.

The School Department, unlike other parts of the Town of Arlington, does not receive all of its funding from the Town Appropriation voted by Town Meeting. In the FY17 Budget, the Town Appropriation was 91% of the total school budget, and is budgeted to be 92% in the Superintendent's Proposed FY18 Budget. Grants, revolving fees and reimbursements make up the rest of the school budget.

The **Town Appropriation** for FY18 is the number presented by the Town Manager. This number reflects a change in the funding formula for the School Department. The Town has generously agreed to provide additional funding to help the School Department bear the costs of increasing enrollment by allocating 35% of per pupil costs for each additional student. We would like to express our appreciation for the cooperation and generosity of the many people who worked to create this change for the students of Arlington.

Grant funding is budgeted to decline, primarily due to expected decrease to FY15 levels of the Title 1 Grant and the loss of the Academic Support Grant. We are changing other grant estimates based on information from the DESE.

Revolving Fees and Reimbursements There have been a few changes to our revenue in this area. Circuit Breaker has been decreased to reflect the FY17 projected payments. We are fortunate that we are able to continue to follow the state recommendation to use FY17 Circuit Breaker revenue in the FY18 Budget. Tuition In receipts have been adjusted to reflect our collection experience from prior years. Other lines remain level with last year. The District does not plan to take a LABBB credit in FY18.

In total, the FY18 Budget shows an increase in General Education funding by 3.5%, Special Education Funding by 7%, and an additional increase in General Education funding by 35% of Per Pupil Expenditures for each additional student added since FY13. This results in a Superintendent's Proposed Budget number of \$66,336,733.

Budget Transfer Summary

This view is the format in which the School Committee now votes the budget, and the format in which it also controls the budget. This format divides the Revolving and Town Appropriation funded portion of the School Budget into six categories, using program codes. This view separates the Grants funding out and does not consider it in detail in this document. All of these categories are presented here for the FY17 Budget as revised by the School Committee on November 15, 2016, the FY 18 Level Service Budget, and the proposed FY18 Additions and Restructurings that result in the FY18 proposed Superintendent's Budget.

The first six categories and the use of them as a School Committee control mechanism over the budget was established as a new School Committee Policy entitled **Budget Transfer Authority** on June 28, 2011. The policy requires that the Superintendent receive School Committee approval prior to transferring budgeted funds between any of the six categories that make up the Revolving and Town Appropriation total. This policy is required for all funds that are not derived from grants.

This format allows a clear understanding of how the District Budget is allocated among key elements of the Arlington Public Schools.

Cost Center Summary

The Cost Center Summary shows the entire School Department Budget, all funding sources included, subtotaled by Cost Center. Cost Centers represent our various school locations and departments.

This view includes FY14, FY15 and FY16 Final Expense for each Cost Center. It also includes the FY17 Budget as revised by School Committee on November 15, 2016 followed by the FY17 Projected Expenses to the end of the year. These projections are based on six months of actual expense information, as well as expectations of likely changes in the coming six months.

As was done last year, in developing the FY18 Level Service Budget, FY17 Projected Expenses were used to inform allocation of funding within the various lines. Prior to FY11, the School Department Budget was created at a higher level of summary. In order to provide greater transparency, as well to create a tool to analyze expenditures more closely, the School Department is continuing to budget at this finer level of detail. The FY15 Budget was the first year in which we have three full years of actual expenses detailed according to our new chart of accounts.

The Superintendent's Proposed FY18 Budget uses the FY 17 Level Service Budget as the base, upon which the proposed additions and restructurings are shown as allocated by Cost Center. Using this, we have created detailed budgets for FY18 which are shown in the final column.

Program Summary

The Program Summary is similar to the Cost Center Summary. It includes the FY14, FY15 and FY16 Final Expenses, FY17 Budget as revised by School Committee on November 15, 2016, FY17 Projected Expenses to the end of the year, FY18 Level Service Budget, FY18 Proposed Additions and Restructuring, and the Superintendent's Proposed FY18 Budget.

The difference is that in this view we are looking at all expenses, regardless of funding source, subtotaled by Program. This Program view allows us to look at activity in our budget by educational themes.

For example, elementary classroom instruction is found in Program 6506 – Elementary Education. At the Middle and High School levels, classroom instruction is divided by areas of subject content, like Mathematics or Social Studies. Program 6507 – Secondary Education is primarily used for supplies, while teacher salaries are to be found under the subject content that they teach. As with last year's Program Summary view, athletics are shown in greater detail in Programs 6620 to 6656.

Program codes 6705 to 6760 are our areas of Curriculum and Instruction (C & I). This is where to find expenses for our curriculum leaders and their modest supply budgets.

Program codes 6800 to 6866, as well as 6975, 6980 and 6990, capture activity for Special Education.

Object Summary

This is the view familiar to those of you who look at the monthly expense reports. Like the Cost Center and Program views, the Object Summary includes the FY14, FY15 and FY16 Final Expenses, FY17 Budget as revised by School Committee on November 15, 2016, FY17 Projected Expenses to the end of the year, FY18 Level Service Budget, FY18 Proposed Additions and Reductions, and the Superintendent's Proposed FY18 Budget.

The difference is that in this view we are looking at all expenses, regardless of funding source, subtotaed by Object. Object codes capture the type of expense. This summary view allows us to look at the School Department Budget by broad categories of expense.

The Object Summary shows most clearly that we are continuing to track our expenditures in more detail than had been done in the past. With this more detailed expense tracking, we are also continuing to be able to budget in greater detail. This year, virtually all object codes have a clear enough expense record that we have been able to budget for them. Facilities is the main area where this greater detail can now be seen in actual expenses and in the budget. You will also notice a few object codes that have been discontinued, as the coding has become more reflective of the key Object expenses.

Position Control Comparing FY17 Current and FY18 Level Service Budget

The final and deepest level of detail in this budget presentation is the Position Control report. Subtotaled by Cost Center, Program and Object, like the Budget Detail, Position Control shows each unique permanent staff position in the district. It compares the current FY17 to the FY18 Level Service Budget by salary and by FTE.

The Position Control document does NOT show the positional additions or reductions proposed in the Budget Detail.

Special Education

Special Education is an area of interest to many people. Committed to the education of our most vulnerable students, and driven by a wide array of Federal and State mandates, Special Education has been an area of budget growth in Arlington, as in most communities, for quite some time. Like the Cost Center, Program, and Object Summary views, the Special Education Budget Detail includes the FY14, FY15 and FY16 Final Expenses, FY 17 Budget as revised by the School Committee on November 15, 2016, FY17 Projected Expenses to the end of the year, FY18 Level Service Budget, FY18 Proposed Additions and Restructuring, and the Superintendent's Proposed FY18 Budget.

Interventions

As we work to support all students, we find that there are services needed beyond what a classroom teacher can always provide. Students who struggle with the English language need special support from ELL (English Language Learners) teachers until their skills improve. Some students require highly skilled support to develop good literacy or mathematics comprehension. Guidance has long provided different types of support for students in need.

We are calling these support services “Interventions”, and want to highlight them as an important part of the budget. These types of services tend to be more vulnerable in times of budget stress, since they are not mandated by law, as Special Education services are, nor are they directly visible in terms of class sizes, as are cuts to classroom teachers. However, these services reach and support students whose struggles have not yet reached the level that requires Special Education, but whose difficulties are holding them back in the general education classroom. By funding these areas of expert support, we are providing the network to help all children learn and helping to contain the cost growth of Special Education.

Like the Cost Center, Program, and Object Summary views, the Interventions summary includes the FY14, FY15 and FY16 Final Expenses, FY 17 Budget as revised by the School Committee on November 15, 2016, FY17 Projected Expenses to the end of the year, FY18 Level Service Budget, FY18 Proposed Additions and Restructuring, and the Superintendent’s Proposed FY18 Budget.

Athletics

Athletics is also an area of interest to many people. Like the Cost Center, Program, and Object Summary views, the Athletics Budget Detail includes the FY14, FY15 and FY16 Final Expenses, FY17 Budget as revised by School Committee on November 15, 2016, FY17 Projected Expenses to the end of the year, FY18 Level Service Budget, FY18 Proposed Additions and Restructuring, and the Superintendent's Proposed FY18 Budget.

Beginning with FY11, the School Department began capturing expense detail in Athletics sport by sport. We now have three full years of data captured in this way. We are still in the process of refining our sport by sport budgeting.

Facilities

Prior to FY11, Facilities was budgeted in very large and non-specific categories. With the introduction of the new chart of accounts, we began tracking maintenance and custodial expenditures in more detail. In addition, during the Stratton renovation project, the Massachusetts School Building Authority requested that we show facility expenses on a building by building basis. Since that project, expenses have been reflected in the cost center (i.e. the school building) where the repair took place. Last year, we changed the way we budget for facilities. In recent years, we have been tracking many different types of maintenance expenses in detail (plumbing, painting, HVAC, boiler service, etc), to create estimated budgets in each cost center (i.e. school buildings). Trying to budget for each cost center (school buildings) against future, unknowable repairs for each type of facilities expense came to be too complex to be relevant. Consequently, beginning in FY14, budgets reside in the Facilities cost center (75), while the expenses against those budget lines will reside in the various school building cost centers.

In order to create a report that shows the relationship between budget and expenses over time, we have used the Object code as the basis for comparison. Looking at Object 82408 – Electrical Services, you will see that the actual expenses are broken out among the various schools, as are the FY17 Projections. However, the FY17 Budget amount is found only in Cost Center 75 Facilities. If you look at the subtotal line for 82408 – Electrical Services, you can see what has been spent over time in aggregate, and how it relates to the proposed budget for FY17.

One further word about the FY17 Projected Expenses is needed. These projections are based on six months of actual expenses, and are essentially doubled to project to the end of the year, unless we have particular information which indicates otherwise. However, like school supplies, facilities expenses tend to be frontloaded at the beginning of the year and at the beginning of the heating season. Therefore, these projections may be overstated in some cases. We used the FY14, FY15 and FY16 Final Expenses to help determine appropriate budgeting for FY18.

FY18 Chart of Accounts

In July 2010, the beginning of Fiscal Year 2011 (FY11), a new chart of accounts was implemented in the School Department. This chart of accounts describes each expenditure by four elements. These four elements are:

- Cost Center – a two digit code identifying the school or department where the expense took place
 - Examples: High School (01); Business Office (66)
- Program – a four digit code identifying the educational purpose for the expense
 - Examples: Elementary Education (6506); Special Education Out of District Tuition Day Students (6848); Custodial Services (6965)
- Object – a five digit code identifying the type of expense
 - Examples: Teacher Salary (81112); Instructional Materials (85103); Power/Electricity (82103)
- DESE code – a four digit code identifying the expense according to the system used by the Massachusetts Department of Elementary and Secondary Education (DESE) for reporting to them on the End of the Year Report (EOYR)
 - Examples: Professional Development (2357); General Supplies (2430); Classroom Teachers (2305)

All four of these elements are used in the MUNIS financial system to describe each financial activity that takes place.

This new chart of accounts allows us to track each transaction in our financial system and know at a glance what it is, where it happened and for what purpose it was done. But even more importantly, this chart of accounts allows us to summarize and analyze our financial activities in many different ways, quickly and easily.

For example, if we needed to look at all activity within Special Education, we could filter the information by Program code. Program codes 6800 through 6866 are all Special Education related, as are the Transportation codes 6975 and 6980. By isolating these Program codes, we can see all Special Education activity quickly and easily. We could just as easily find out how much we are spending on One to One Assistance (Program 6845), despite the fact that these expenses take place throughout many Cost Centers in the district.

Likewise, we can look at the activity within a particular school, let's say the Bishop, by filtering our information by Cost Center (in this case, 06). We can see all the expenses of the Bishop for this year so far, including activities that had not been tracked by school before, like custodial and maintenance.

Finally, looking at activity summarized by Object allows us to monitor trends in our large expense areas, like Teacher salary (81112), Tuition to Other Schools (83201), Fuel (82102), Power/ Electricity (82103) and Natural Gas (82104). The summary by Object has been the basis for the monthly expense reporting which has been provided since September, 2010.

Superintendent's Report

Dr. Bodie provided School Building updates and said all the high school documents had been submitted to the MSBA and at the next MSBA Board meeting Arlington Public Schools should be invited to go into the Feasibility stage with our student enrollment number being confirmed by MSBA as 1175 high school students.

Dr. Bodie noted the Stratton School is moving along fine and on time and the Thompson School is slated to open in September per the OPM and Dr. Bodie is watching this very carefully. Kathy said some Saturdays the contractor may need to work on the school and if this was to happen they will notify neighbors.

Kathy said the Gibbs meetings are moving forward quite well and intend to begin work July 1 and open in September 2018. The architect will work with curriculum leaders and that the schematics need to be finished by the end of January.

Alison Elmer said to Dr. Allison-Ampe that plans of special education details have been shared with the Gibbs committee members.

Dr. Bodie said the School Enrollment Task Force approved six classroom additions at the Hardy School and will hold a meeting in a couple of weeks. Hardy School will be funded from the Capital Plan for an estimate cost of \$3.5 million and more work still needs to be done on the cafeteria which is not included in the \$3.5 million.

Ms. Alison Elmer gave an update on Timeline on Safe and Supportive Schools Grant from MA Department of Elementary & Secondary Education and said more updates will be given half way through. She also noted the Arlington Education Foundation is interested in providing support to this grant too.

Administrative Searches

The Chief Financial Officer (CFO) position was posted with the start date of July 1 and interviews will begin after February vacation and the School Committee can interview the candidates in March.

The Middle School Principal position will be posted soon, and an advisory committee will be formed and will consist of administrators, teachers, counselors and parents, along with a 5th grade parent representative. The first meeting may be in early March. This will be a process since we need to find the right person. The job description for the Gibbs principal will be crafted after February vacation, and then posted, and the search process will start and we hope to have this position start as part time and then fulltime starting July 1, 2018.

FY 17 Budget Update

Dr. Bodie wanted to provide a budget update since during the last meeting the FY 17 budget was presented with an \$800,000 – 900,000 deficit. Dr. Bodie had prepared a two page document to show what we budgeted for on Out of District Tuition and what we budgeted for on Longevity and then showed what we projected and the difference which totaled a deficit of \$889,762.

Mr. Hayner stated that there is no excuse for this deficit and Dr. Bodie agreed but said we can identify how we can offset the money with the Special Education Stabilization Account, Tuition-in Revolving Account and the Legal Account, and if necessary, the Foreign Visa Account. The committee members expressed their concern to Kathy and wanted to make sure something like this cannot happen again.

The Circuit Breaker was discussed. It was noted that Arlington can apply for a Circuit Breaker claim now and if we meet the criteria, which we do, we can let them know of our intent to file by the end of February. Kathy said the administration does not want to use Circuit Breaker money since it is risky, Mr. Hayner agreed. Dr. Bodie noted we always have last year circuit breaker available and that is what she budgeted for in the FY 18 Budget.

The committee members will receive the FY 18 Budget books on Friday, February 3rd. Dr. Allison-Ampe stated the Budget Subcommittee had no budget recommendations at this time, and Mr. Kardon looks forward to Dr. Bodie's presentation of the FY 18 Budget at the next meeting on Thursday, February 9th, and will provide input then.

Kathy announced that David Ardito Director of Visual Arts will be receiving an award from Arlington Center for the Arts and congratulated David.

Last week Arlington held a pot luck dinner with METCO students and with their families. Mr. Hayner, teachers and students attended along with student rep, Laura Kirchner. Everyone concurred it was a fun event.

Mr. Hayner moved to approve the Consent Agenda, Approval of Warrant: Warrant Number 17108, Total Warrant Amount \$903.078.15, dated 1/12/2016, Approval of Minutes: None and Approval of Trip: AHS Mass School Council Association Trip, March 2017, seconded by Mr. Schlichtman.

Subcommittee & Liaison Reports & Announcements

Budget, Kirsi Allison-Ampe, MD. (Chair) said the Budget subcommittee met on Wednesday, January 25 and discussed the FY 18 budget. The administration provided a list of budget reductions and it was noted they did not want to use the Circuit Breaker money. The subcommittee reviewed the budget reductions and said Dr. Bodie will present the FY 18 Budget to them at the next School Committee meeting and will make comments on it at that time. Kirsi said the Budget Subcommittee would like to see what the Circuit Breaker would look like if we use some of it this year and without that documentation they did not want to bring a recommendation to the full committee. Dr. Allison-Ampe would like to get a sense from the committee on using the Circuit Breaker money or not.

Mr. Kardon would like to work on the Circuit Breaker numbers and see where we are and then the subcommittee could run the numbers before deciding. Mr. Thielman asked the committee how they should respond on this deficit if the School Committee goes above the administrations recommendation to use the Circuit Breaker money this year. Mr. Schlichtman said since we had a Special Education spike and the Circuit Breaker money will be reimbursable this year, to take 100% of Circuit Breaker and save it so we can use it in 2019. He understands to be conservative, but however we know how much we have and we are not getting a big increase in Circuit Breaker this year, we have a baseline number and we do have a sense of funding of Circuit Breaker if we get a spike next year.

The committee members inquired about budget cuts to music, high school dean, social and emotional guidance positions as well as Teaching Assistants and Dr. Bodie said the music position will be contractual, the high school dean we could add next year and use the reserves for Teaching Assistants if we get large classroom next year and TA's are needed.

The committee members were discussing budget options and all agreed that the conversation on the budget has been a thoughtful one and alerting the community they are struggling with it. The Budget Subcommittee will continue to do more work.

Community Relations Ms. Starks said the subcommittee held meeting to discuss Dashboard, Kickstand chat and the event with Vision 2020. Cindy informed the committee and community that the next School Committee chat will be Saturday, February 4th at the Kickstand Café at 11:00 am with Paul and Kirsi. The next meeting is scheduled for Monday, February 13, 5 to 6 in the School Committee Room with the Vision2020 committee to discuss the forum on Thursday, March 9th at Town Hall.

District Accountability, Curriculum/Instruction & Assessment, (CIAA)

Mr. Paul Schlichtman, (Chair) said he held a brief meeting before School Committee Retreat to discuss policy for the Superintendent's evaluation. Jeff asked the committee members to send along any edits by February 4th to the School Committee office and then the document will be presented for a second read and vote on February 9th.

Facilities, Jeff Thielman (Chair) no report

Policies & Procedures, Bill Hayner (Chair) will hold a meeting Feb 16, 5:30 pm and discuss policy on student activity fee and timeline on Superintendent evaluations and goals.

School Enrollment Task Force, Bill Hayner, Cindy Starks, Jeff Thielman will hold a meeting on Feb 8 6pm in School committee room and get a report on Hardy common places and draft on expenses for Gibbs.

Warrant Committee Mr. Bill Hayner said all paid.

Vote on a School Committee Rep for the Gibbs Committee

Mr. Hayner nominated Ms. Starks as the School Committee Rep for the Gibbs Committee, seconded by Mr. Thielman.

Voted: 7-0

Liaisons Reports

Ms. Susse said that she and Rob attended the Stipend committee meeting and discussed the overwhelming response of teachers and students holding certain clubs but note not enough money is available to fund it all.

Announcements

Mr. Hayner said he will do the Polar Plunge on Saturday, February 4th. Ms. Susse announced the Winter Arts Gala Saturday, Jan 28 at 7:00 pm at Town Hall and Battle of the Bands for AHS at Regent Theater.

Ms. Julie Keys and Ms. Laura Kirchner exited at 9:21 PM.

Executive Session

Mr. Hayner moved to enter into Executive Session at 9:21 PM to conduct strategy sessions in preparation for negotiations with union and/or nonunion personnel or contract negotiations with union and /or nonunion in which if held in an a open meeting may have a detrimental

effect. To conduct strategy with respect to collective bargaining or litigation, in which if held in an open meeting may have a detrimental effect, Collective bargaining may also be conducted and discuss CFO Compensation and vote to approve the following Executive Session Minutes: December 15, 2016, seconded by Mr. Schlichtman.

PENN MODEL CONGRESS DELEGATE FORMS

A. DELEGATE CODE OF CONDUCT

Penn Model Congress wants to ensure a safe and enjoyable conference for all participants. To that end, the Executive Board has established the following guidelines for conduct during the conference:

1. **Hotel/University Property** – Students must respect hotel and University property at all times. Each delegate will be held responsible for any and all damage incurred. If you are responsible for any malicious damage to property, you and possibly your entire delegation will be expelled from the hotel and conference.
2. **Smoking/Drugs/Alcohol** – Smoking is prohibited in the hotel and all University facilities, as well as all other official conference functions. Possession of drugs or alcohol at any place or time during the conference is strictly prohibited. Conference and hotel security will have the authority to confiscate any drugs or alcohol found in the possession of any delegate. Delegates found in possession or under the influence of any drugs or alcohol will be required to leave the conference immediately and may be held criminally liable.
3. **Attendance** – Delegates must attend all conference sessions, unless prior written consent is submitted to PENNMC staff by their faculty advisor.
4. **Curfew** – The designated curfews on the conference schedule will be strictly enforced. All delegates must be in their own rooms by this time. Since there are other guests not affiliated with the conference on every floor of the hotel, late night socializing, pizza deliveries, soda machine runs, etc., are not permitted after curfew.
5. **Attire** – Proper attire is required during all conference sessions. All delegates must dress in a professional manner. Men should wear a suit or jacket and dress pants, with a dress shirt and tie. Women should wear a suit, dress, dress slacks, or skirt with a blouse or sweater. Delegates who fail to obey the dress code will not be permitted to participate in their conference sessions.
6. **Badges** – Students must wear their conference badges at all times for their own safety and identification purposes. Badges will be required to enter University facilities and conference social functions at the Hotel. Persons not directly affiliated with Penn Model Congress are not permitted in the hotel or at any conference function.
7. **Discrimination** - Penn Model Congress will not tolerate any acts of discrimination based on race, gender, religion, national origin, age, handicap, disability or sexual orientation.

I hereby acknowledge that I have read and understood all of the above, and I agree that, failure to abide by the Code of Conduct may result in expulsion from the conference, and that I may be held legally and financially responsible for my actions. I agree to abide by any additional rules and regulations of the University of Pennsylvania, Penn Model Congress, the Sheraton University City Hotel, and the Hilton Inn at Penn during my attendance at the conference.

B. ASSUMPTION OF RISK, WAIVER, AND RELEASE FROM LIABILITY

In consideration for my being permitted to participate in the Penn Model Congress conference, held in Philadelphia on March 30, 2017 through April 2, 2017 (referred to hereafter as “the Program”), related events and activities, the undersigned acknowledges and agrees to the following:

1. **Risk Factors-** I understand and acknowledge that the use of equipment and facilities provided by the organization and participation in the Program involves risks including, but not limited to the following: risk of property damage, bodily injury, including, but not limited to permanent disability, paralysis, and possibly death. These risks may result from a variety of circumstances including, but not limited to, the use or misuse of the equipment or facilities, from the activity itself, from the acts of myself/my child or others, including the organization and its agents or from the unavailability of emergency medical care.
2. **Assumption of Risk-** I assume full responsibility for all risks that may arise out of or result from my participation in the Program, including but not limited to those risks described in subsection 1, above.

3. **Acknowledgement of Policies and Procedures-** I acknowledge that I have read, know, and agree to all of the policies and procedures relating to my participation in the Program. I understand that the safe and proper use of all facilities, equipment or participation in the activity is dependent upon carefully following these policies and procedures. I agree to comply with and abide by all rules, regulations and policies the organization including but not limited to those listed in section A of this document. I understand that the organization reserves the right to revoke or terminate my participation in the Program for any violations of these rules, regulations, or policies.
4. **Release, Indemnify, and Defend.** As a participant, or the natural parent and/or as the legally authorized guardian of a participant in the Program, I do hereby for myself, my spouse, my child, and on behalf of my/our heirs, personal representatives, and assigns, agree not to sue and hereby release, waive, discharge, hold harmless and indemnify and forever defend Penn Model Congress/Trustees of the University of Pennsylvania (referred to hereafter as "the Organization"), their officials, employees, members, servants, directors, predecessors, successors, trustees, faculty, representatives, volunteers, and affiliates, including their respective assignees, agents and licensees, past present or future, individually or collectively, (hereinafter jointly referred to as "the Released Parties"), from any and all liability, losses, claims, actions, suits, procedures, demands, rights, and causes of action of whatever nature, in law and equity, for any and all known or unknown, foreseen or unforeseen, bodily or personal injuries, death and permanent injury, illnesses, damage or theft of property, or other losses, and any consequences thereof, including expenses, costs, and attorney's fees, as may be sustained by my child or me arising out of or in any way associated with my/my child's participation in Penn Model Congress, or travel incident thereto, whether by negligence or not to the fullest extent permitted by law.
5. **Waiver-** I hereby waive any protections afforded by any statute or law in any jurisdiction whose purpose, substance and/or effect is to provide that a general release shall not extend to claims, material or otherwise which the person giving the release does not know or suspect to exist at the time of executing the release. This means, in part, that I am releasing unknown future claims.
6. **Payment for Damages.** I agree to pay for any and all damages to any property or Release Party determined by the organization to have been caused by me/my child negligently, willfully or otherwise.
7. **Representatives.** I enter into this agreement for myself, as well as for my heirs, assigns and legal representatives.
8. **Consent for Emergency Treatment-** I consent to medical treatment for emergencies that occur during or are related to my participation in the program where I am unable to consent to such treatment. I understand the provisions of this Assumption of Risk, Waiver, and Release from Liability apply to any treatment that might be provided to me under this Section, including but not limited to subsection 1, subsection 2, and subsection 4 of Section B.
9. **Insurance-** I understand that I am solely responsible for any medical, health or personal injury costs relating to my participation in the Program, and reimbursement to the organization of any costs incurred. I understand that I am strongly encouraged to have a medical physical examination and purchase health insurance prior to any and all participation in the Program.
10. **Jurisdiction.** This Assumption of Risk, Waiver, and Release from Liability shall be governed in all respects by the laws of the State of Pennsylvania. The parties agree to use the State of Pennsylvania for Jurisdiction and the County of Philadelphia as Venue for any disputes between the parties related to this Assumption of Risk, Waiver, and Release from Liability.
11. **Severability.** If any term or provision of this Assumption of Risk, Waiver, and Release from Liability is held to be illegal, invalid or unenforceable, or the application thereof to any person or circumstance shall to any extent be illegal, invalid or unenforceable under present or future laws effective during the term hereof or of any provisions hereof which survive termination, then and in any such event, it is the express intention of the parties that the remainder of this Assumption of Risk, Waiver, and Release from Liability, or the application of such term, clause or provision other than to those as to which it is held illegal, invalid or unenforceable, shall not be affected thereby, and each term, clause or provision of this Assumption of Risk, Waiver, and Release from Liability and the application thereof shall be legal, valid and enforceable to the fullest extent permitted by law.

Superintendent's Report

Dr. Bodie provided School Building updates and said all the high school documents had been submitted to the MSBA and at the next MSBA Board meeting Arlington Public Schools should be invited to go into the Feasibility stage with our student enrollment number being confirmed by MSBA as 1175 high school students.

Dr. Bodie noted the Stratton School is moving along fine and on time and the Thompson School is slated to open in September per the OPM and Dr. Bodie is watching this very carefully. Kathy said some Saturdays the contractor may need to work on the school and if this was to happen they will notify neighbors.

Kathy said the Gibbs meetings are moving forward quite well and intend to begin work July 1 and open in September 2018. The architect will work with curriculum leaders and that the schematics need to be finished by the end of January.

Alison Elmer said to Dr. Allison-Ampe that plans of special education details have been shared with the Gibbs committee members.

Dr. Bodie said the School Enrollment Task Force approved six classroom additions at the Hardy School and will hold a meeting in a couple of weeks. Hardy School will be funded from the Capital Plan for an estimate cost of \$3.5 million and more work still needs to be done on the cafeteria which is not included in the \$3.5 million.

Ms. Alison Elmer gave an update on Timeline on Safe and Supportive Schools Grant from MA Department of Elementary & Secondary Education and said more updates will be given half way through. She also noted the Arlington Education Foundation is interested in providing support to this grant too.

Administrative Searches

The Chief Financial Officer (CFO) position was posted with the start date of July 1 and interviews will begin after February vacation and the School Committee can interview the candidates in March.

The Middle School Principal position will be posted soon, and an advisory committee will be formed and will consist of administrators, teachers, counselors and parents, along with a 5th grade parent representative. The first meeting may be in early March. This will be a process since we need to find the right person. The job description for the Gibbs principal will be crafted after February vacation, and then posted, and the search process will start and we hope to have this position start as part time and then fulltime starting July 1, 2018.

FY 17 Budget Update

Dr. Bodie wanted to provide a budget update since during the last meeting the FY 17 budget was presented with an \$800,000 – 900,000 deficit. Dr. Bodie had prepared a two page document to show what we budgeted for on Out of District Tuition and what we budgeted for on Longevity and then showed what we projected and the difference which totaled a deficit of \$889,762.

Mr. Hayner stated that there is no excuse for this deficit and Dr. Bodie agreed but said we can identify how we can offset the money with the Special Education Stabilization Account, Tuition-in Revolving Account and the Legal Account , and if necessary, the Foreign Visa Account. The committee members expressed their concern to Kathy and wanted to make sure something like this cannot happen again.

The Circuit Breaker was discussed. It was noted that Arlington can apply for a Circuit Breaker claim now and if we meet the criteria, which we do, we can let them know of our intent to file by the end of February. Kathy said the administration does not want to use Circuit Breaker money since it is risky, Mr. Hayner agreed. Dr. Bodie noted we always have last year circuit breaker available and that is what she budgeted for in the FY 18 Budget.

The committee members will receive the FY 18 Budget books on Friday, February 3rd. Dr. Allison-Ampe stated the Budget Subcommittee had no budget recommendations at this time, and Mr. Kardon looks forward to Dr. Bodie's presentation of the FY 18 Budget at the next meeting on Thursday, February 9th, and will provide input then.

Kathy announced that David Ardito Director of Visual Arts will be receiving an award from Arlington Center for the Arts and congratulated David.

Last week Arlington held a pot luck dinner with METCO students and with their families. Mr. Hayner, teachers and students attended along with student rep, Laura Kirchner. Everyone concurred it was a fun event.

Consent Agenda

Mr. Hayner moved to approve the Consent Agenda, Approval of Warrant: Warrant Number 17108, Total Warrant Amount \$903.078.15, dated 1/12/2016, Approval of Minutes: None and Approval of Trip: AHS Mass School Council Association Trip, March 2017, seconded by Mr. Schlichtman.

Subcommittee & Liaison Reports & Announcements

Budget, Kirsi Allison-Ampe, MD. (Chair) said the Budget subcommittee met on Wednesday, January 25 and discussed the FY 18 budget. The administration provided a list of budget reductions and it was noted they did not want to use the Circuit Breaker money. The subcommittee reviewed the budget reductions and said Dr. Bodie will present the FY 18 Budget to them at the next School Committee meeting and will make comments on it at that time. Kirsi said the Budget Subcommittee would like to see what the Circuit Breaker would look like if we use some of it this year and without that documentation they did not want to bring a recommendation to the full committee. Dr. Allison-Ampe would like to get a sense from the committee on using the Circuit Breaker money or not.

Mr. Kardon would like to work on the Circuit Breaker numbers and see where we are and then the subcommittee could run the numbers before deciding. Mr. Thielman asked the committee how they should respond on this deficit if the School Committee goes above the administrations recommendation to use the Circuit Breaker money this year. Mr. Schlichtman said since we had a Special Education spike and the Circuit Breaker money will be reimbursable this year, to take 100% of Circuit Breaker and save it so we can use it in 2019. He understands to be conservative, but however we know how much we have and we are not getting a big increase in Circuit Breaker this year, we have a baseline number and we do have a sense of funding of Circuit Breaker if we get a spike next year.

The committee members inquired about budget cuts to music, high school dean, social and emotional guidance positions as well as Teaching Assistants and Dr. Bodie said the music position will be contractual, the high school dean we could add next year and use the reserves for Teaching Assistants if we get large classroom next year and TA's are needed.

The committee members were discussing budget options and all agreed that the conversation on the budget has been a thoughtful one and alerting the community they are struggling with it. The Budget Subcommittee will continue to do more work.

Community Relations Ms. Starks said the subcommittee held meeting to discuss Dashboard, Kickstand chat and the event with Vision 2020. Cindy informed the committee and community that the next School Committee chat will be Saturday, February 4th at the Kickstand Café at 11:00 am with Paul and Kirsi. The next meeting is scheduled for Monday, February 13, 5 to 6 in the School Committee Room with the Vision2020 committee to discuss the forum on Thursday, March 9th at Town Hall.

District Accountability, Curriculum/Instruction & Assessment, (CIAA)

Mr. Paul Schlichtman, (Chair) said he held a brief meeting before School Committee Retreat to discuss policy for the Superintendent's evaluation. 3. **Acknowledgement of Policies and Procedures-** I acknowledge that I have read, know, and agree to all of the policies and procedures relating to my participation in the Program. The parties agree to use the State of Pennsylvania for Jurisdiction and the County of Philadelphia as Venue for any disputes between the parties related to this Assumption of Risk, Waiver, and Release from Liability.
11. **Severability.** If any term or provision of this Assumption of Risk, Waiver, and Release from Liability is held to be illegal, invalid or unenforceable, or the application thereof to any person or circumstance shall to any extent be illegal, invalid or unenforceable under present or future laws effective during the term hereof or of any provisions hereof which survive termination, then and in any such event, it is the express intention of the parties that the remainder of this Assumption of Risk, Waiver, and Release from Liability, or the application of such term, clause or provision other than to those as to which it is held illegal, invalid or unenforceable, shall not be affected thereby, and each term, clause or provision of this Assumption of Risk, Waiver, and Release from Liability and the application thereof shall be legal, valid and enforceable to the fullest extent permitted by law.

▣ Second Reading	Superintendent_Evaluation_Process_and_Procedures__2nd_Read.pdf	Supt Evaluation Process

Superintendent Evaluation Process and Procedures (FY17)
Proposed by the Curriculum, Instruction, Assessment and Accountability Subcommittee
First Reading: January 26, 2017

Timeline and Policy Requirements

Per policy CBI, the annual evaluation cycle for the Superintendent is from July 1st through June 30th each year. The Superintendent has until September 30th to present evidence on the previous year's approved goals. The format for the evaluation of the Superintendent is defined in Policy CBI-E.

The consensus of the School Committee at its January 21, 2017 retreat was that the Committee should use the current "End-of-Cycle Summative Evaluation", Policy CBI-E, for FY17. The Policy and Procedures subcommittee, however, will be meeting to evaluate changes to Policy CBI-E for FY18.

At the retreat, the Committee agreed to have a presentation of the District's progress on all FY17 goals at a meeting in the early fall of 2017, prior to the Superintendent's evaluation. The presentation would inform School Committee members' evaluation of the Superintendent in November.

The Policy and Procedures subcommittee intends to meet to consider amending Policy BA-E, the Overarching Goals of the Arlington School Committee, to include a timeline by which a report on goals shall be presented to the School Committee by the Superintendent. The Committee also will consider amending Policy CBI to create a schedule by which the Superintendent presents her draft goals to the School Committee for approval.

Purpose of this memo

The purpose of this memo is to outline, per Policy CBI and CBI-E, the following criteria for the FY17 evaluation of Superintendent Kathleen Bodie:

- The Professional Practice, Student Learning and District Improvement Goals (Step 1 in Policy CBI-E) selected by the Superintendent and approved by the School Committee and the evidence required to show progress on each; and
- Evidence requested by the School Committee to evaluate the Superintendent on the four standards (Instructional Leadership, Management and Operations, Family and Community Engagement, and Professional Culture) in Step 2 of the current evaluation form (Policy CBI-E).

Step 1:

- **Professional Practice Goal**
 - By June 30, 2017, complete the physical design of the Gibbs School and complete a written summary of the process by which the district will develop an academic, extracurricular, and socio-emotional program, including an academic schedule, for the 6th Grade program at the Gibbs.
 - Evidence required:
 - The physical design plan

- List of meetings with the public and other stakeholders
 - Outline of the process by which the academic, extracurricular and socio-emotional program will be developed for the 6th grade program at Gibbs.
- **Student Learning Goal**
 - Written, refined vision and program for Arlington High School, ready for submission to the Massachusetts School Building Authority (MSBA).
 - Evidence required
 - Written vision statement and program plan for Arlington High School.
 - **District Improvement Goal**
 - Report on the completion of all documentation required in the Eligibility Period (modules 1-2) in the MSBA process for Arlington High School.
 - Evidence Required
 - Written report.

Step 2: Assess Superintendent's Performance on Standards

Following the same practice applied to our teachers, the School Committee has selected three pieces of evidence the Superintendent must present to show progress on each standard in Policy CBI-E:

- **Standard 1: Instructional Leadership**
 - Evidence, including standardized test scores, of the progress the district has made in closing the academic achievement gap in the Arlington Public Schools.
 - Report of the District's work in the MAPLE Consortium (The Massachusetts Personalized Learning Edtech Consortium) to further the growth of personalized learning in grades K-12 in Arlington.
 - Report of all common assessments administered in Arlington Public Schools in 2016-17. The report should include the subject and grade level of each common assessment.
- **Standard 2: Management and Operations**
 - Superintendent's budget and Town Meeting report.
 - Summary of the District's safety protocols.
 - Summary of onboarding procedures for new staff and guidelines for recruiting new teachers and staff.
- **Standard 3: Family and Community Engagement**
 - Schedule of workshops for parents sponsored by the district and parent forums for the Gibbs School design.
 - Parent-Teacher Conference Schedule

- Audit Report from the Massachusetts Department of Education (DESE) on English Language Learner, Special Education, and Civil Rights in the Arlington Public Schools.

- **Standard 4: Professional Culture**

- Written summary of the cultural proficiency professional development provided to administrators.
- School Committee members review of all communication, written and oral, by the Superintendent, including newsletters, memo, the budget presentation to Town Meeting, and any report associated with building and other projects.
- Report on the number of grievances with the School Department's collective bargaining units and whether those grievances were resolved or not. (Note: we are not requesting specific information about any grievance or the personnel involved). Also, a log of meetings scheduled with the AEA President, the Superintendent's Teacher Advisory Committee and the with AEA representatives to collaboratively discuss and work through issues of mutual interest as part of the negotiation process.

Co-President's Message

As the weather becomes colder and snow starts to fly, our civic season shifts from national and state to local.

The warrant for annual Town Meeting is open, accepting items that will be debated and voted upon this spring. Notices have gone out to candidates seeking re-election and the rules and calendar are posted for those seeking to run for office.

Town departments and committees are submitting proposed budgets for the next fiscal year.

Soon, the Redevelopment Board, Finance Committee, and Board of Selectmen will begin hearings for articles under their respective purviews.

The LWVA will begin planning for Candidates Night Tuesday, March 21 (save the date!).

Now is a great time to become more involved in local government. Consider running for Town Meeting, attending a warrant article hearing, or volunteering to help with the League's voter service activities. Whether you are new to the LWVA or a veteran member, your participation is welcomed and appreciated.

Wishing you all a happy, healthy new year!

Angela Olszewski

Election Dates to Remember:

The deadline for current Town Meeting members who are running for re-election to notify the Town Clerk of their intention is **Monday, February 6**.

The deadline for obtaining nomination papers to run for Town office (including Town Meeting) is **Thursday, February 9**.

The deadline for submitting completed nomination papers for Town office is **Thursday, February 16**.

Consensus Time for LWVMA Charter Study

By Patty Shepard, League of Women Voters of Winchester

Come to Winchester's Sanborn House, 15 High Street, Winchester, on Sunday, January 8, 2017 from 1 to 4 p.m. for the League of Women Voters Charter School Study Consensus Meeting. Snow date: 1/22/17. It's YOUR chance to help shape League policy on this important subject. The Winchester League is pleased to be partnering with the Arlington League again this year.

During the program planning process to select LWVMA priorities for the 2015 - 2017 biennium, local Leagues suggested a study on charter schools because of the continuing public debate about charter school funding, numbers, location, authorization, outcomes and accountability. Recognizing that LWVMA did not have positions that specifically focused on charter schools, members proposed and the Board agreed that a study was necessary to allow LWVMA to participate in the development of policy and legislation regarding charter schools. The purpose of this study is to determine where we have agreement, so that the state board can draft a League position related to charter schools. Once we have such a position, we will be able to support, oppose and suggest changes to legislation, take stands on charter school issues and contribute to the conversation.

Please review the League materials at the website below where you can access all the information you will need to be ready for the consensus meeting.

<https://lwmva.org/member-resources/charter-school-study/>

The "Fundamentals" section provides a general overview of charter schools. The "Funding Massachusetts Charter Schools" section explains the current funding process and is crucial for understanding the issues. There is also a glossary and list of additional reading. The Guide also includes the Consensus Questions as well as Pro and Con Arguments. All of these documents will give you background for tackling the consensus questions.

Join us for what promises to be a stimulating discussion. Please read the background material in the Charter School Study Guide and plan to bring your own copy of the consensus questions to the meeting in January.

[*Editor's Note:* The consensus questions appear in the LWVMA November/December 2016 Bulletin at <http://lwvma.com/bulletins/NovDec16.pdf>, and also on the Charter School Study website.]

League Focuses on Climate Change at Holiday Party

By Kim Haase

Marc Breslow, an Arlington environmental activist, spoke about local and state efforts to combat climate change at the LWVA's annual holiday party on December 7. Joan and Jim Robbio were our gracious and much appreciated hosts.

Marc founded Sustainable Arlington (SA), a Vision 2020 environment committee, many years ago, after working on Arlington's recycling program before that. SA is a chapter of the Massachusetts Climate Action Network. Marc is now active in Climate XChange, an organization that works on providing policymakers with information about market-based solutions to climate change. (See <http://www.sustainablearlington.org/>, <http://www.massclimateaction.org/>, and <http://climate-xchange.org/> for more information.) He worked for the Patrick administration on climate policy.

Marc began by observing that with the incoming administration and Congress, we can hope for defensive action at best at the federal level. Citizens of Massachusetts, California, and other states need to focus on the state and local levels to influence other states and, ultimately, federal officeholders. Governor Charlie Baker is committed to enforcing current state law mandates, notably a 2008 law requiring us to reduce our carbon emissions. He noted that many years ago the LWVA, including Elizabeth Thompson, pioneered on local environmental issues.

With SA's encouragement, the Town passed its own climate plan some years ago and has been working on making Town facilities, such as vehicles and street lights, energy efficient. Many schools now have solar panels. SA also promotes household energy audits and solarization. Currently SA and Mothers Out Front are advocating community choice aggregation (CCA), to enable citizens and the Town to purchase climate-friendly energy at a negotiated price through an energy broker. Arlington Town Meeting passed CCA last spring and is now on track to provide this solution.

With Climate XChange, Marc is now focusing on implementing carbon pricing in Massachusetts through a bill filed by State Sen. Michael Barrett of Lexington. The proposed law uses a fee and rebate mechanism, not a tax, that would increase the price of fossil fuels so as to discourage their use. The law would be revenue-neutral: all proceeds from the fee would be rebated to taxpayers. Wholesalers and utilities would pay the fee, which consumers would pay in the form of higher fuel prices. Every resident would receive an equal rebate, so those who consumed less fuel would come out ahead. The fee would be phased in over a number of years, starting at \$10 per ton of carbon and ending at \$40/ton after 7 years. A \$10/ton fee would result in about a 9 cents per gallon price increase. Carbon pricing is probably the most effective way to reduce emissions; one successful example is British Columbia in Canada. The LWVMA supports the bill; you may remember a forum in Arlington in December 2015 with Launa Zimmaro of LWVMA as a speaker.

Our state legislators are all on board as supporters, but the bill now needs a House sponsor. Marc would like Rep. Sean Garballey to lead on this. According to Colleen Kirby, he is interested (see page 8), so we should encourage him. Some legislators would like the bill to be revenue positive, to support public transit and renewables, though Sen. Barrett believes revenue neutrality will bring more support. Writing to Gov. Baker would be helpful, since he wants to meet our emissions goals without carbon pricing.

In response to a question about methane, which is 30-40 times worse than carbon as a pollutant, Marc replied that methane is included in the Barrett bill, although calculating its use is more difficult, particularly since 2-3% of it is lost to leaks. A better term for the bill's aim would be greenhouse gas pricing, since other greenhouse gases, such as refrigerants, are being added to the bill to give manufacturers an incentive to reduce leakage.

Other states are working on this, notably California. The Trudeau administration in Canada is requiring all provinces to implement carbon pricing by 2018. Massachusetts is also part of the Regional Greenhouse Gas Initiative (<https://www.rggi.org/>) to reduce emissions.

Legislative Session Preview

By Colleen Kirby

I visited Sen. Donnelly's office and Reps. Rogers' and Garballey's offices to see what they are excited about legislatively next session.

I met with Kira Arnott, Rep. Dave Rogers' new aide, at Kickstand Café office hours. She says there is interest in the omnibus criminal justice reform bill coming out of the Council of State Government (CSG) process in January, and that Rep. Rogers will be re-filing other criminal justice reform bills that likely won't be covered in the omnibus bill. A few highlights: He may be filing retiring Rep. Sannicandro's Pretrial and bail reform bill, a bill with DA Ryan on solicitation of a felony, a bill on having grand juries, increasing the felony larceny threshold above \$1500 (maybe to \$2500), and he is prioritizing making sure individuals undergoing evictions have a right to counsel. He is also filing a pregnant workers fairness bill, and a couple of bicycle bills: clarifying distance from a bike lane and no parking in bike lanes.

Rep. Sean Garballey hopes that restorative justice language will be part of the bill coming out of the CSG process in January. The language should enable restorative justice to be an option for police departments across the Commonwealth. This may be pre-arraignment only, but hopefully there will also be an option for judges to use restorative justice post-arraignment. He may also be filing a medical release bill with Sen. Pat Jehlen, a college savings plan for all new-borns, a ban on fracking, getting to 100% renewables by 2050, and a carbon pricing bill with Marc Breslow. He is very happy his hearing aid bill for children passed and is working on getting coverage of nutrition for children born with a rare protein disorder. He is also working on a coverage of disfigurement bill for workers and a bill to increase the age of support for youth aging out of foster care.

I spoke with Dave Swanson, Sen. Ken Donnelly's legislative aide, and he talked about interest in supporting the CSG omnibus bill, as well as a bill by Sen. Jason Lewis to establish a Center for Excellence in Community Policing and Behavioral Health to improve police training for incidents involving people who are in a mental health or substance use crisis. Sen. Donnelly plans to re-file the pretrial and bail reform bill they introduced last session, a bill for better sharing of labor and workforce data, and several mental health access and timely treatment bills. He is also working on a bill with Clean Water Action for disclosure of toxic chemicals used in children's products.

It sounds as if the House and Senate have come to agreement on the rules before the session starts in January, unlike last session, and as if bills will be coming out of committees earlier (by February of 2018).

Any errors are totally my own misunderstanding, so don't hold any of our hard-working legislators to this preliminary list of legislation.

Report: Rides to the Polls

By Phyllis Maddox

Thank you to our members, Kathy Fennelly, Nancy Gray, Carolyn Parsons, and Ann FitzGerald, for volunteering to drive to the polls on November 8. The phone was busy all day.

11 people requested rides and 5 non-members offered to provide rides. In addition, there were 2 calls from people in Cambridge and Lynn asking for rides. I suggested they call the local political parties.
